COMPASS – 1968

KENSINGTON HIGH SCHOOL

BUFFALO, NEW YORK

Carol,
 Remember
 English 4 A
 and of course never
 forget me.
 Love,
 Paul

KENSINGTON IS. . .

Home base for the more than two thousand students who daily explore the world around them, looking at the past, considering the present, and peering into the future. The telescopes, microscopes, and even the window panes through which we look have their platforms in Kensington. But Kensington is more than ideas; it is experiences.

It is Security—

in knowing where the Clinic is.

It is Fear—

of being crushed on the center stairs
and not recuperating in time for class.

It is Superstition—

the dread of stepping on the Compass.

It is Numbers—

football scores and report cards.

It is Excitement—

a home run and the announcement of the
high point winner on Girls' Letter Day.

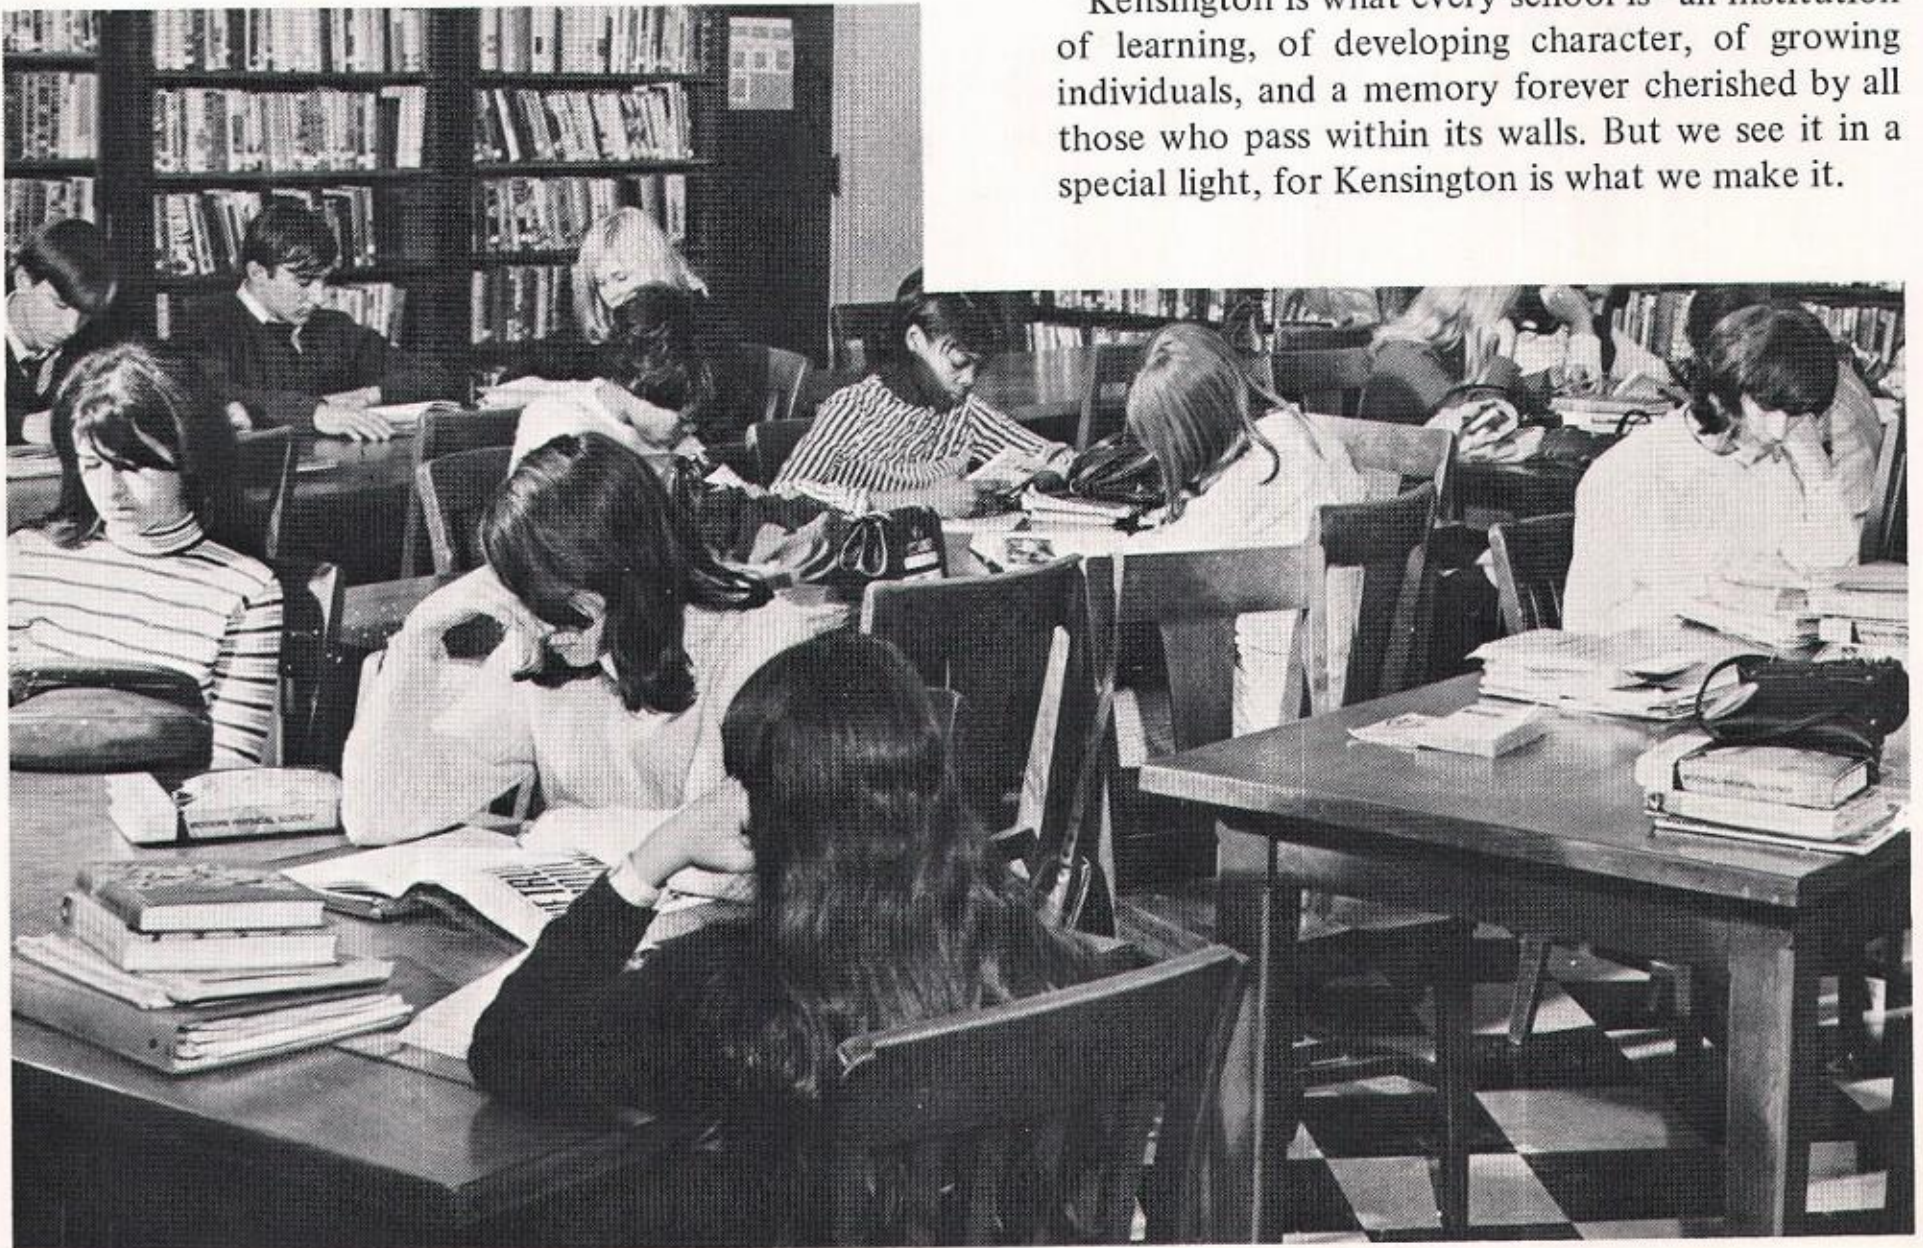

It is Rivalry—

the irreverant cheering as the Bennett
Spy is loaded into the coffin.

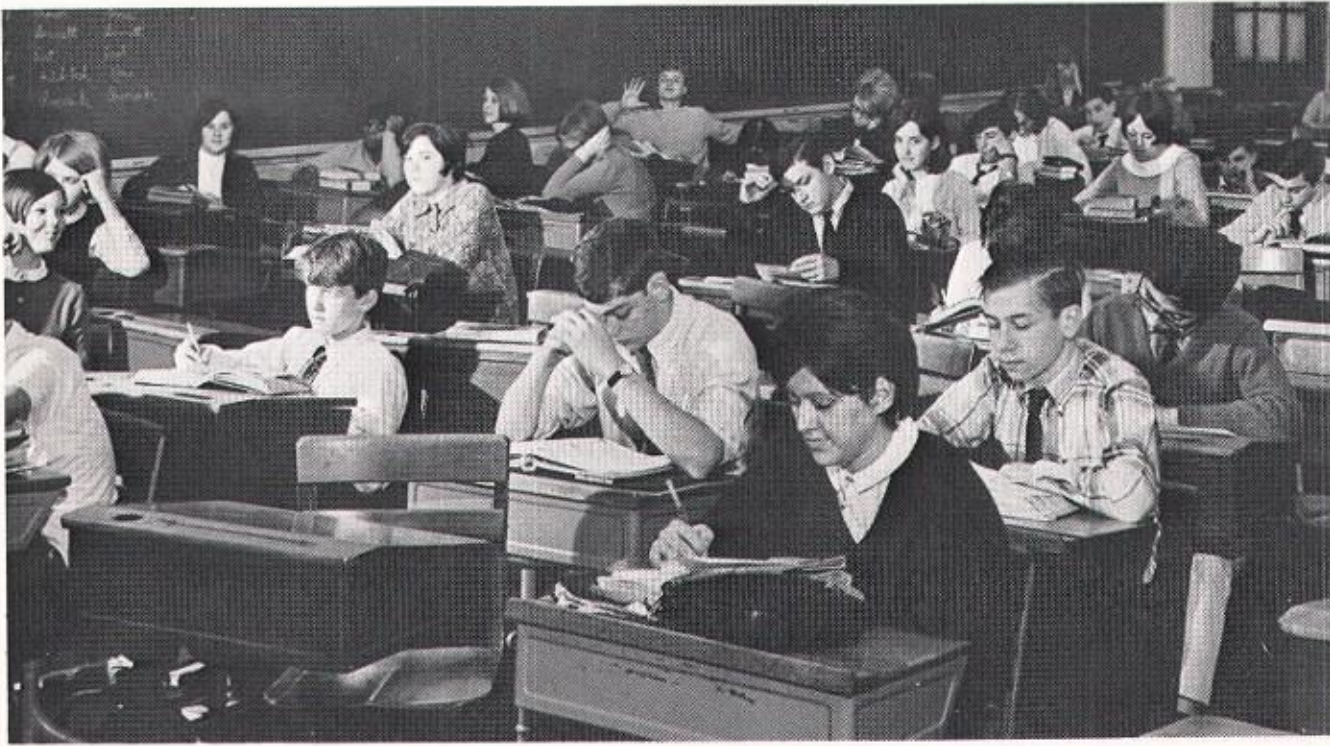

It is Unity—

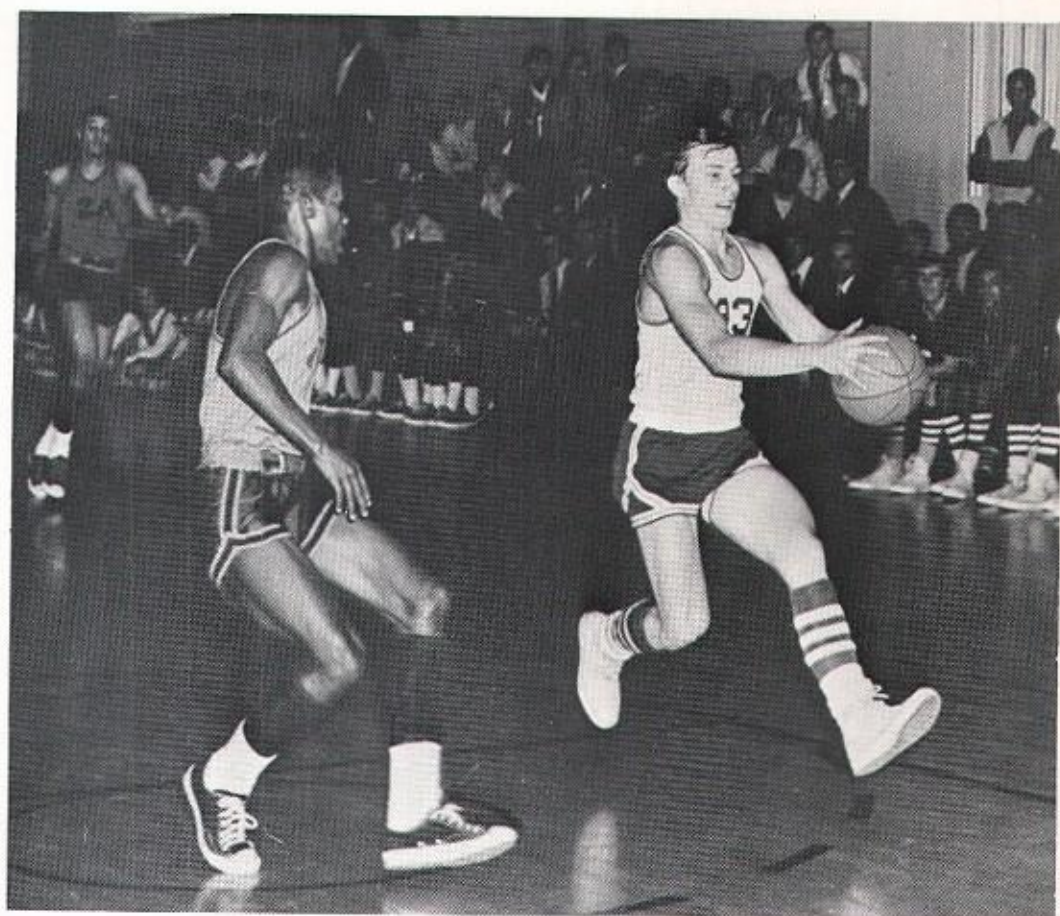

the voluntary participation in club
projects.

Kensington is what every school is—an institution of learning, of developing character, of growing individuals, and a memory forever cherished by all those who pass within its walls. But we see it in a special light, for Kensington is what we make it.

DEDICATION

Kensington is dedication—the kind that is displayed by our faculty and administrators. In appreciation for his leadership and service to Kensington, we, the graduating class of 1968, dedicate this COMPASS to Coach Ralph Duquin.

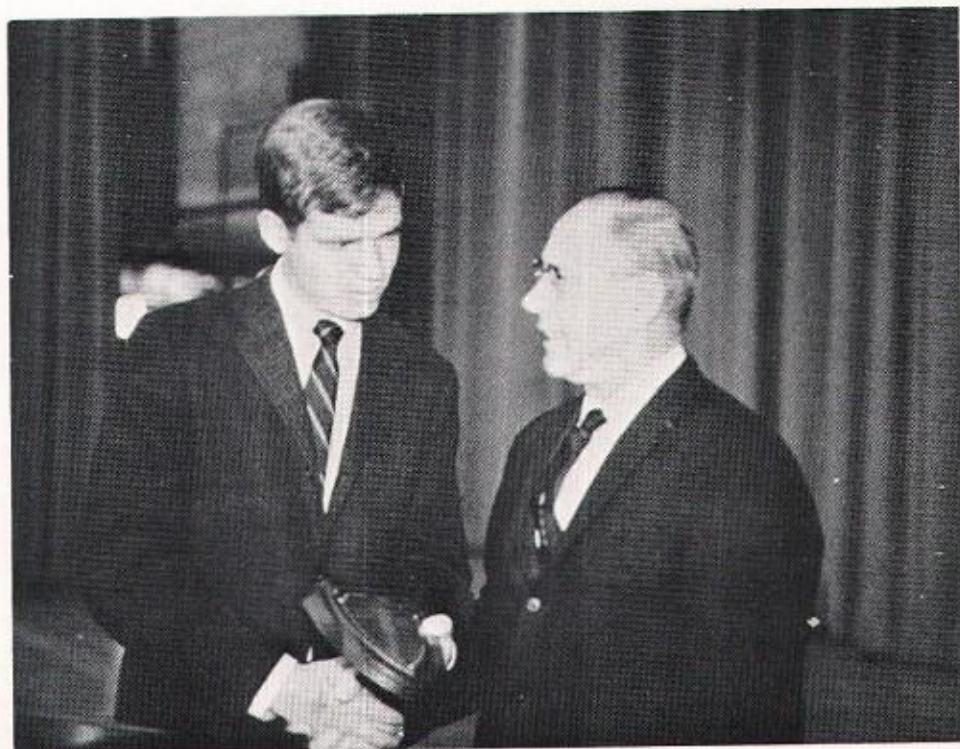

During his twenty years at Kensington, Mr. Duquin has coached our track and cross-country teams on to nine Scalp and Blade and three Columbia Cup championships. His encouragement has been a constant inspiration to these teams in both victory and defeat. With the help of Mrs. Duquin, annual cook-outs are organized for the teams to reward them for their efforts. This year at Letter Day the Harriers presented their own “All-High Coach Award” to him.

He is equally admired in the role of educator. During regular school hours, Mr. Duquin is an instructor of physical education and health.

The “Duke” is the hero of B-lunch, where, with his trusty whistle, he saves us from chaos.

Each year in these paragraphs we honor an outstanding educator at Ken, whose enthusiasm and dedication are contagious. These qualities “rub off” on his students and on new faculty members; they have served as an incentive to his own daughters, all active Kensingtonians until their graduation.

For the victories, for his inspiration, and for his enthusiasm, Kensington High salutes Coach Duquin.

MR. ANGELO GIANTURCO
PRINCIPAL

To the Student Body:

Your yearbook, *Compass '68*, has as its theme, "Kensington is . . .". Objectively, this theme is effectively portrayed in the numerous pictures which illustrate the broad spectrum of campus activities at Kensington High.

Kensington is all of these experiences and much more. It has many facets impossible to register on film.

Kensington is primarily a "spirit", which manifests itself in many ways. It is the support you give to worthwhile causes; it is your friendly and courteous manner. It is your respect for the rights of others, your self-discipline and responsible behavior. It is your sense of fairness and loyalty.

Kensington is also your deep feeling of school pride, your appreciation of its fine building and secure atmosphere. Kensington is devoted teachers who insist on high scholastic standards and strong character development. It is a varied curriculum which prepares you to assume a worthwhile role in our society.

Kensington is four academic years of your teen-life, enriched by the traditions and achievements of an illustrious past. For years to come, the ideals and standards of your Alma Mater will be a source of inspiration and confidence to you.

Kensington is, figuratively speaking, your compass.

The Community Association of Kensington High School is the link which connects the home with the school, and serves to strengthen the communication lines between the parents and teachers. Through bulletins distributed to the students, the members of the Community Association inform concerned parents of their programs and plans.

Among its projects this year, the Community Association sponsored its traditional Pot-Luck Supper and provided refreshments at Parent's Night. It also awards a one hundred dollar scholarship annually to a promising senior. This year as a special service to upper-classmen and their parents, the Community Association presented a panel discussion, "Where to After Graduation," at its January meeting. Guests on the panel were representatives from four local colleges.

Through its active efforts from September until June, Communications lines were never down. We, the student body, our parents, and the administration of Kensington thank them for this.

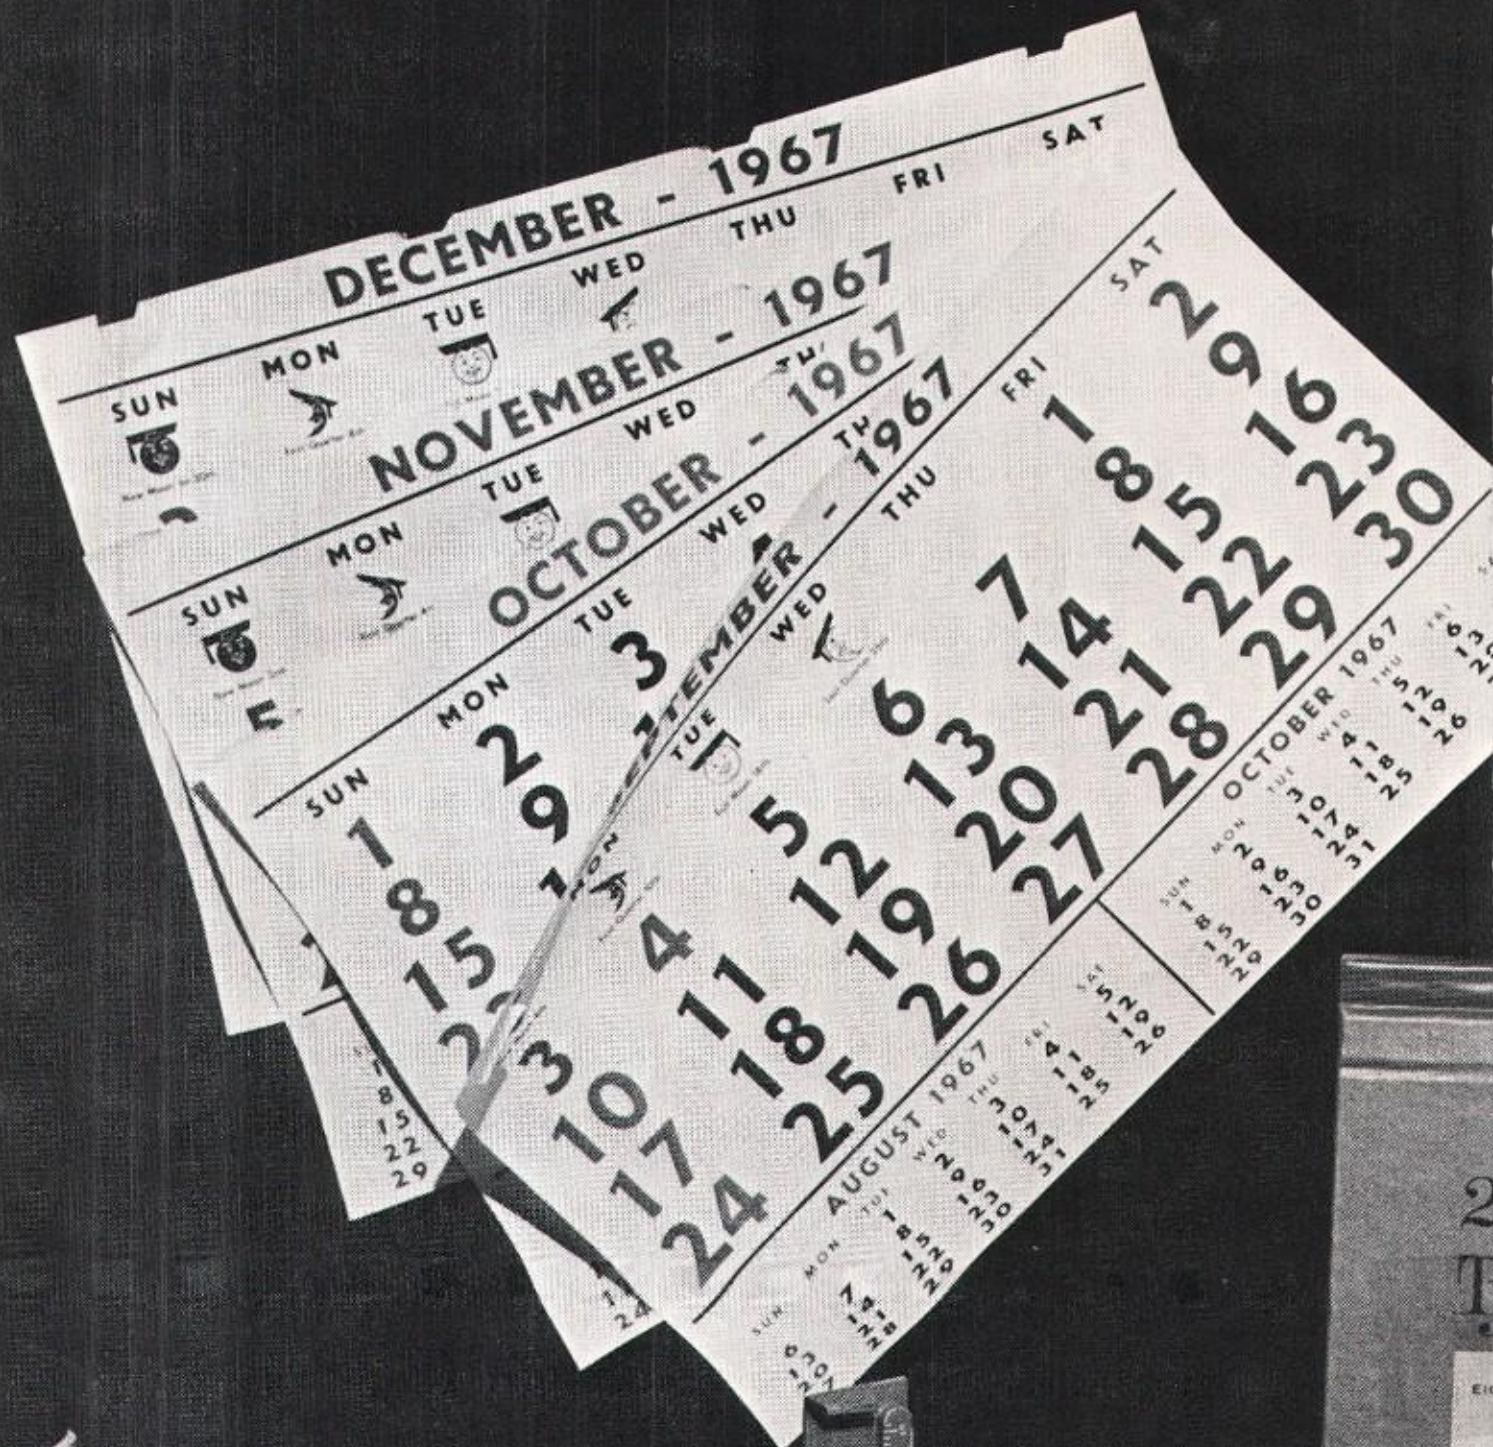

IN MEMORIAM

Our hearts mourn the passing of a man who contributed much to Kensington High School. Wilbur E. Unger, Assistant Principal from 1962 to 1966, was a dedicated administrator and a fine person. Although he was by nature somewhat quiet and conservative, Mr. Unger made many friends during his stay at Ken. He supported enthusiastically all activities and was a familiar face at assemblies and athletic events. He distinguished himself to such a degree that he was appointed Project Administrator for the Teacher Aide Program in Buffalo, a Federal program to aid poverty areas. Although only for a few short years, Kensington was indeed fortunate to have on its staff a person as capable and outstanding as Mr. Unger.

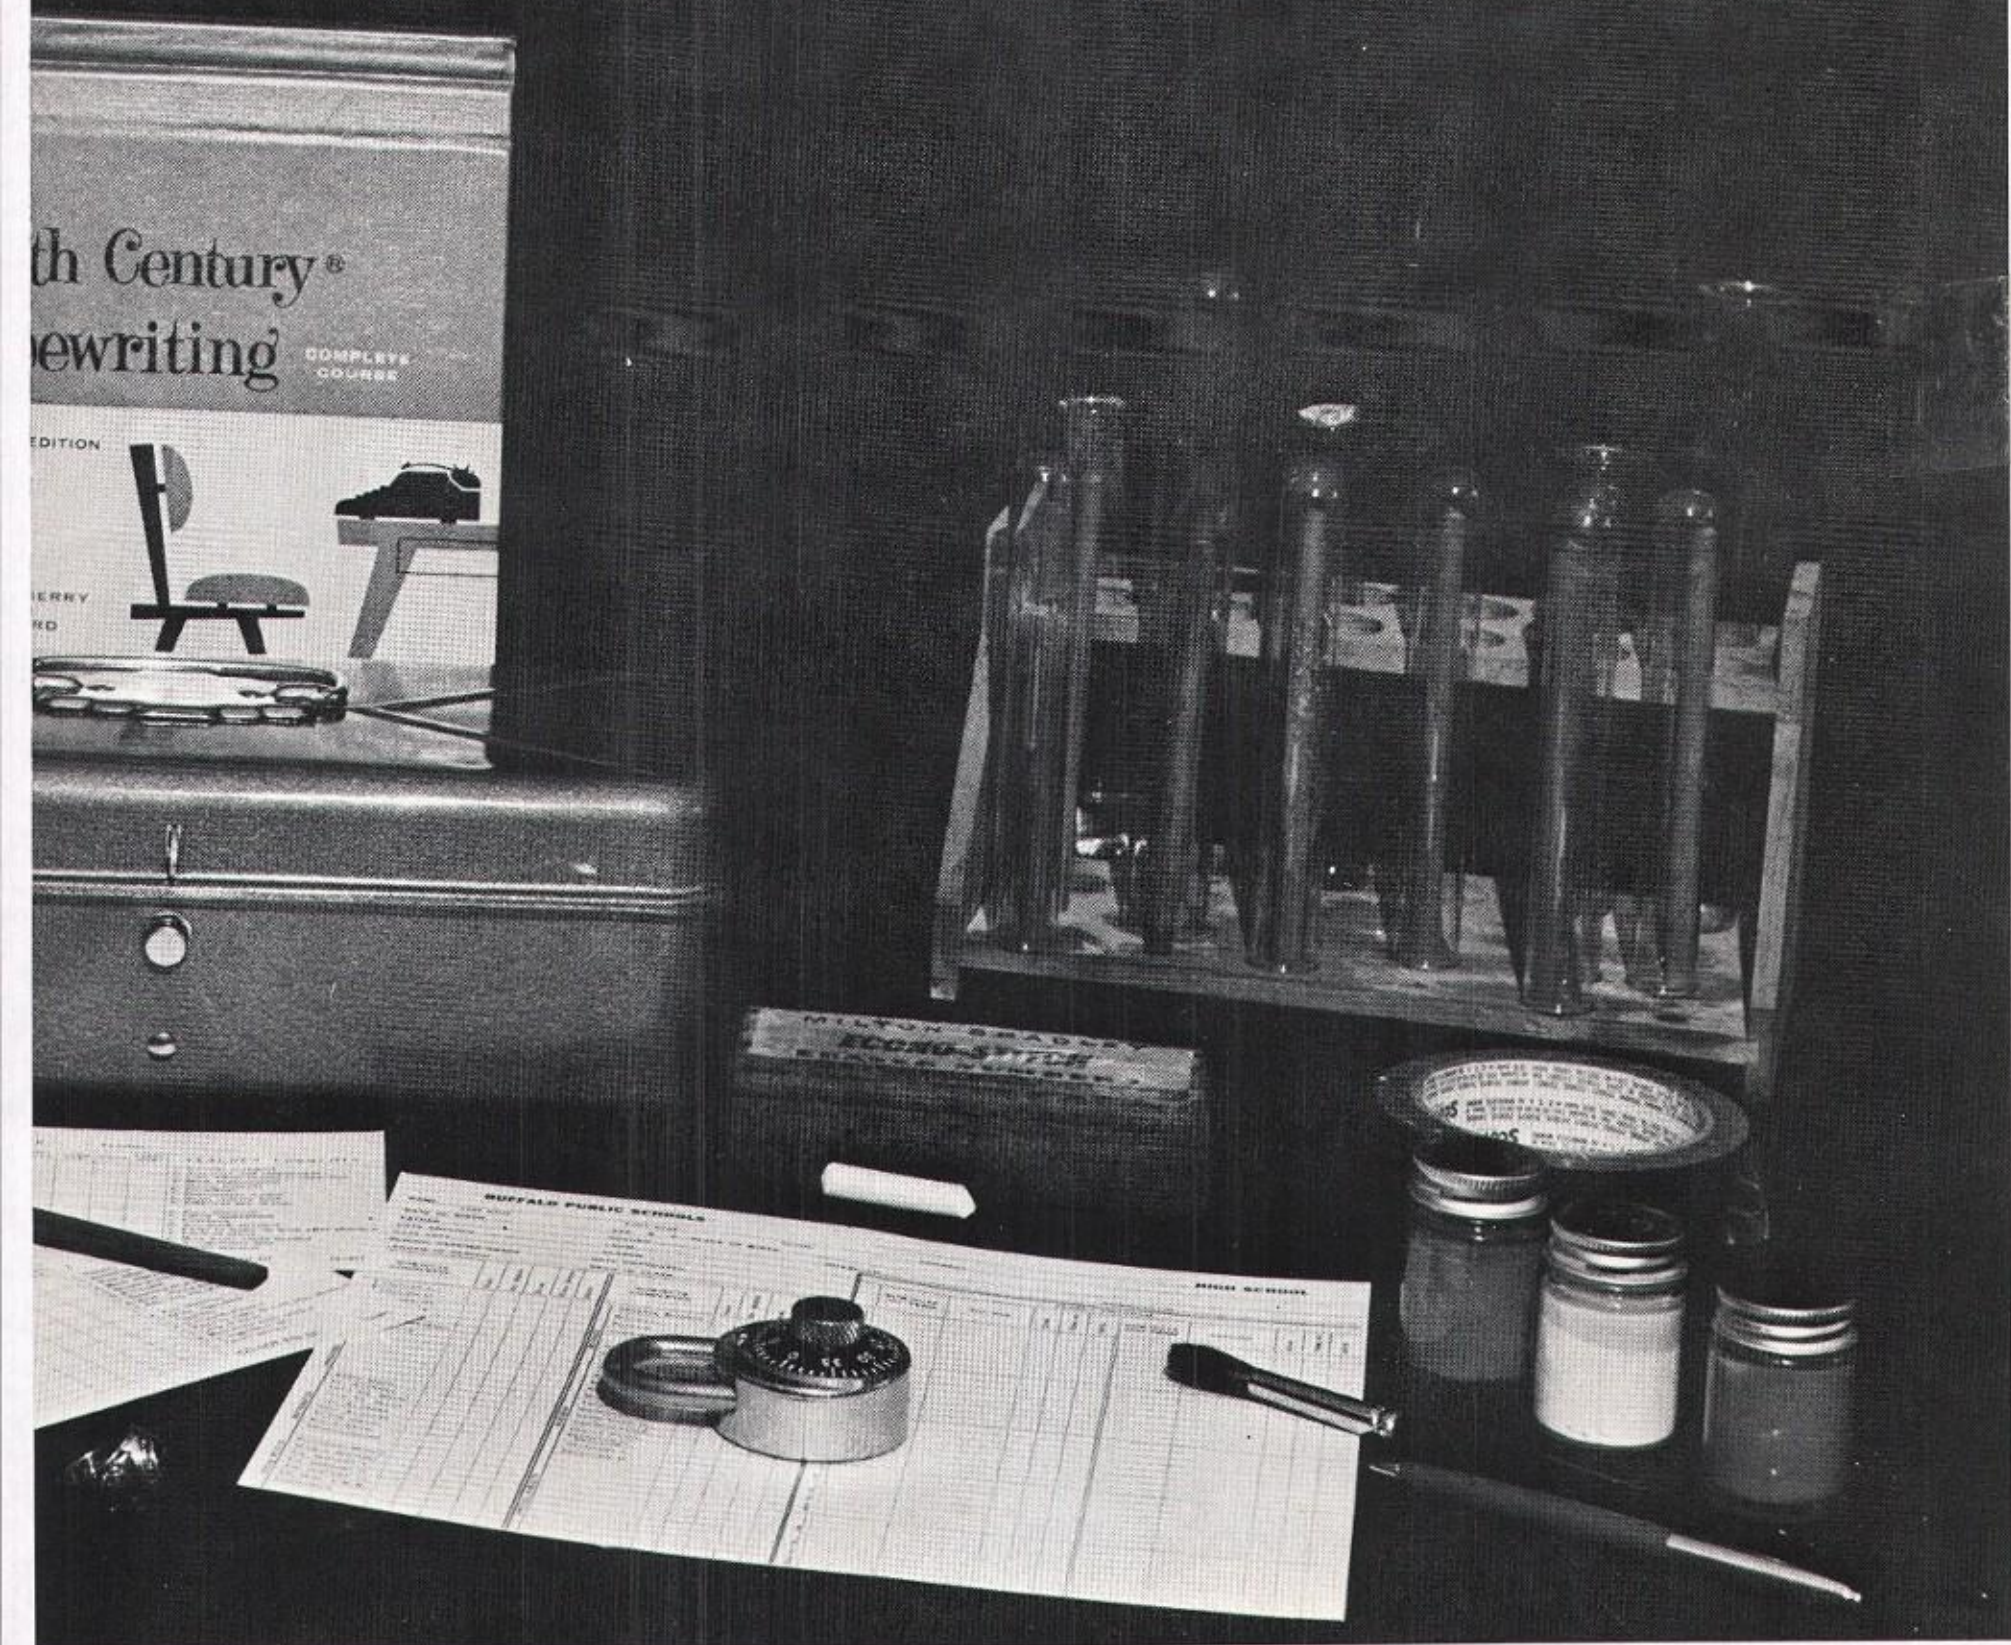

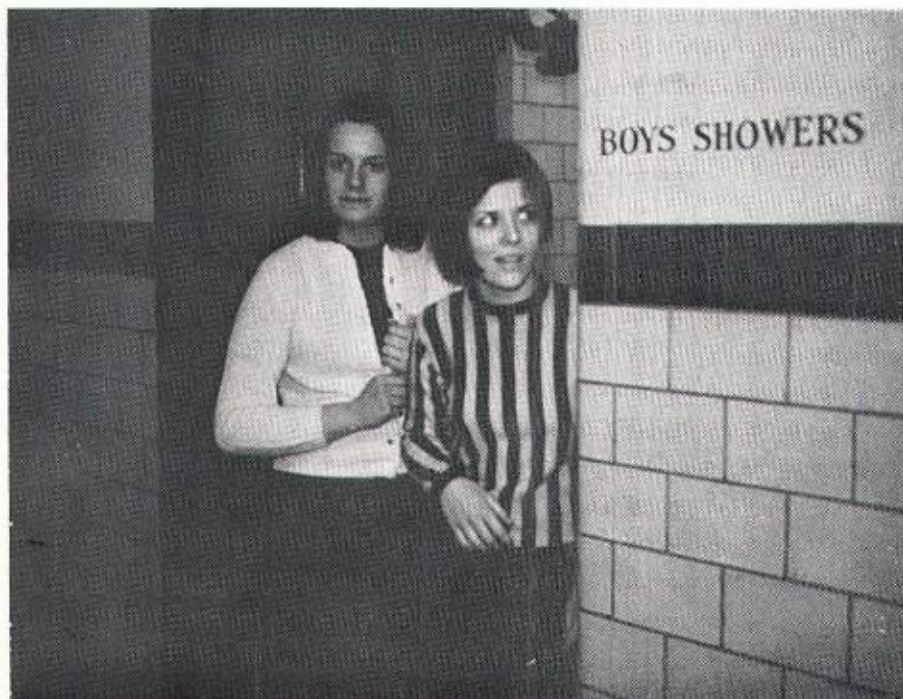

Death also comes for the young. For Susan Marie Hooper, life ended tragically in an automobile accident early in September. Sue was an Honor Student and an active Kensingtonian, participating in many sports and extra curricular activities. Her ever-radiant smile reflected a warm personality which endeared her to those she knew. Her life was rich and her future bright. A senior, Sue would have graduated this year and faced a new world of challenges and responsibilities. However, death intervened and a promising future was left unrealized. This was clearly a great loss to Sue's family and friends, and perhaps too, the world lost a bit of brightness. Yet for Sue Hooper, all that remains is lasting happiness and peace.

"Farewell, whose living life I shall not find, whose Faith and Work were bells of full accord"

SENIOR CLASS HISTORY

In the fall of 1964, hundreds of wide-eyed Frosh entered Kensington High School searching hopelessly for the Auditorium. Little did they know what was ahead. Entering a large homeroom we were encountered by many unfamiliar faces as well as piles of forms upon forms to fill out.

Our first big event was the Freshman Halloween Dance on October 30, where Chris Kramer and Chet Owens won the door prizes. The football season opened with several of our Freshmen men playing on the J. V. squad. These were: Duane Hewson, Denny Burns and Carmen Mitri. For the 1965 Drill Team, Valerie Hughes and Pat Hogan were among the girls chosen to march during half time at the football games. Also, Prudy Celeste, Donna Eno and Jeanne Truax made the J. V. Cheerleading Squad for 1965.

Class Elections turned out to be successful. Ron DiGiore, president, Sandy Burger, vice-president, Cathy Cleveland, secretary, and Tim Clark, treasurer.

As Sophomores, we were a little more confident and hard-working, but nevertheless we were still Underclassmen. Karen DiPirro, Paulette Vergos and Jo Ann Kushner were some of the Sophomores that joined with the Yearbook Staff to help turn out a successful edition of the "COMPASS". June Thompson and Nick Beaver were among our Class Officers for 1966. Jim Steg and Tom Weld, combined their talents and started a folk singing group known as "NEWPORT TRIO". Some of our Student Council Delegates were: Linda Smith, Bobbie Herr, and Dawn Huber. Leading our class scholastically were Esther Herrmann, Marcia Greatrix, Elaine Boczarski and Lois Borkowski.

November 21 and 22, brought the Annual Water Show entitled "STORY-BOOK LAND" with Alana Kaczmariski, Cathy Crane, Sue Lex and Cindy Gruber as some of our Sophomore stars. Many of our clubs had Sophomores as their officers. Some of these were: Debby Porterfield, Ken Boosters, and Pat Berebko, F.T.A.

Our Junior Year opened immediately with Student Council Delegates chosen; Kandy Beane, Sue Tufo, Rae Ann Campagnola and Lee Hobel were some of our Junior leaders. Several of our clubs were led by Junior students such as Dave Schneider, Red Cross Club, and Liz Visone, French Club. Many Juniors brought "music to our ears" through band and orchestra. Bob Vezina, Dave Ernst, "Angel" Smith and Kathy Fish were some of our talented group.

J. V. Football this year was quite unsuccessful, yet we had Mike Ivers, Dennis Kaluzny, Art Richter and Don Fell fighting for us. Cross Country this year brought to light many Junior stars. Ron Jakubowski and Mike Maksymik helped to attain our All-High fifth placing in finals. In Varsity swimming, Greg Brennan, Don Pecoraro, and Glen Hobel displayed their prowess and style in swimming and helped our team to win three meets. May 19th, the Spotlights were on all of us at the Junior Prom in the gym. The theme was "Evening in Athens" and we all glided across the floor to the music of Joe Santora's band. The next month was filled with cramming for exams and planning for our Senior year that we all managed to reach finally.

Well, here we are on the last stretch and for many of us it is just the end of a beginning, college. What a wonderful feeling it is to be the leaders of the school! Many exciting things have happened, not the least of which was the annual Variety Show on March 8th, entitled "People", where some Senior Professionals were seen performing. Our host and hostess were Jim Sheldon and Linda Messina. Other stars included Liz Fischer, Jackie Kemp and Jackie David. Margaret Latko and John Peters won class offices in the elections held in March. Our rings finally came!

After the Faculty-Varsity Basketball Game the Faculty was forced to show its true colors in the end: Black and blue. April brought plans for the Senior Prom the Paper Drive and Graduation.

All things considered, we can all say that this has been a memorable step in our careers as students. Our Alma Mater is everything that we have made it and in every sense of the idea. WE are Kensington.

FIRE OPENS 30TH YEAR AT KENSINGTON
HOOGLANDS SET FIRE

When there is a fire, there is a fire. The fire started at the Kensington High School on Sunday, October 1st, 1967. The fire started in the kitchen of the school. The fire spread to the rest of the school. The fire was put out by the fire department. The fire caused a lot of damage to the school. The fire was a very bad fire. The fire was a very bad fire. STUDENT COUNCIL

"Trimming the Christmas Tree is what's happening, Man!"

Kensington's Student Council, which consists of representatives from each homeroom, is the student's voice in school affairs. The aims of the Student Council were to establish better student-faculty relations, to assist in school programs and problems concerning students, to inform and interest the community in the social functions of the school, and to maintain school spirit. Sixty-five delegates held monthly meetings to discuss and plan activities at Ken. Miss Marie Maida and Miss Helen Fritz were the faculty advisors of the Council.

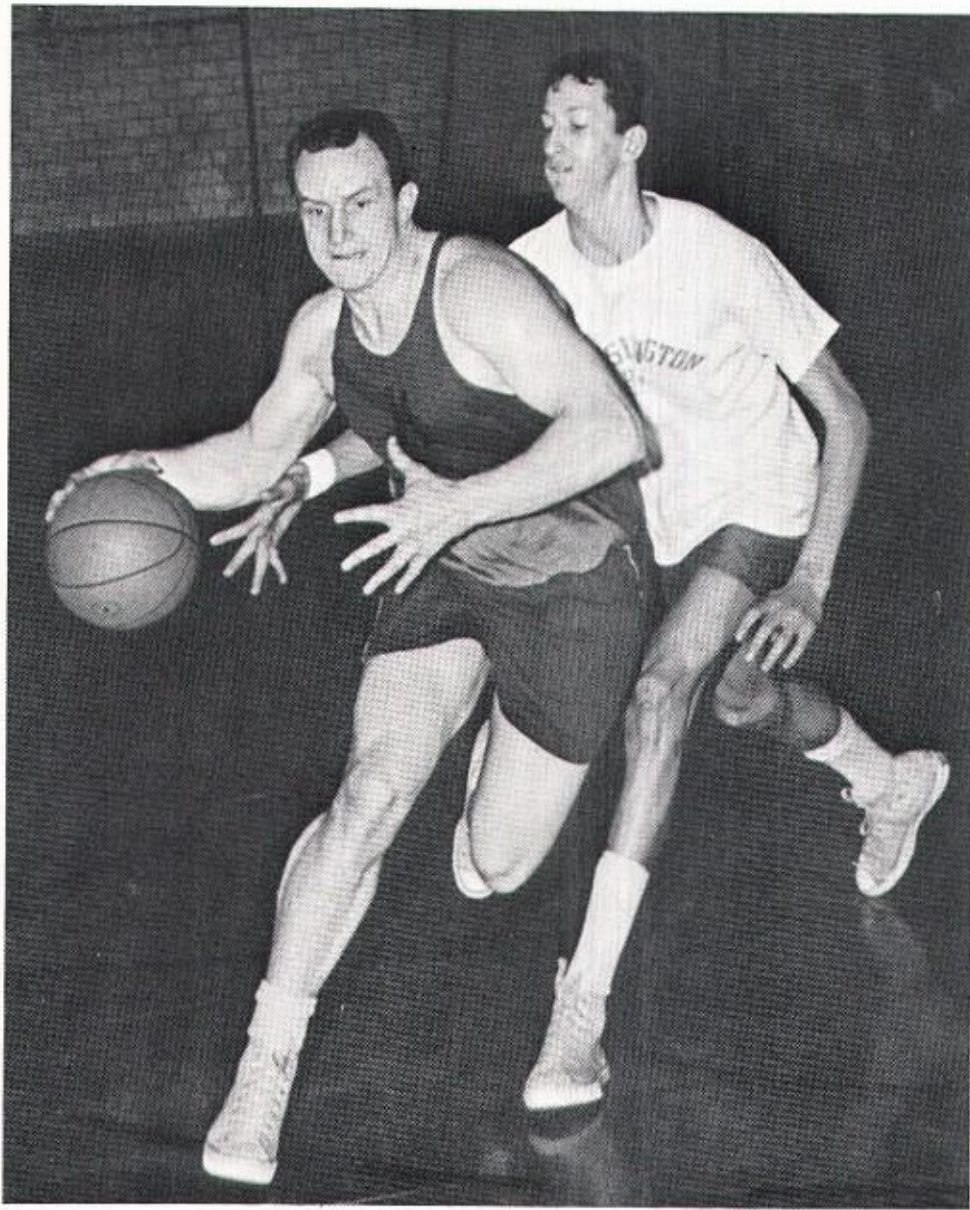

Attending several meetings were Miss Mary Ann Biennas and Mr. Richard Ford, representatives from the Kensington YMCA. They headed a brainstorming session in October centering around the problems of area youth and what can be done to solve them.

The first major project of the year was the collection of clean and usable outgrown clothing for the Save the Children Federation. The "Bundle Days" in mid-November were a tremendous success, with the goal of twenty-four bags more than doubled. Co-Chairmen Kandy Beane and Bob Croce supervised the Drive.

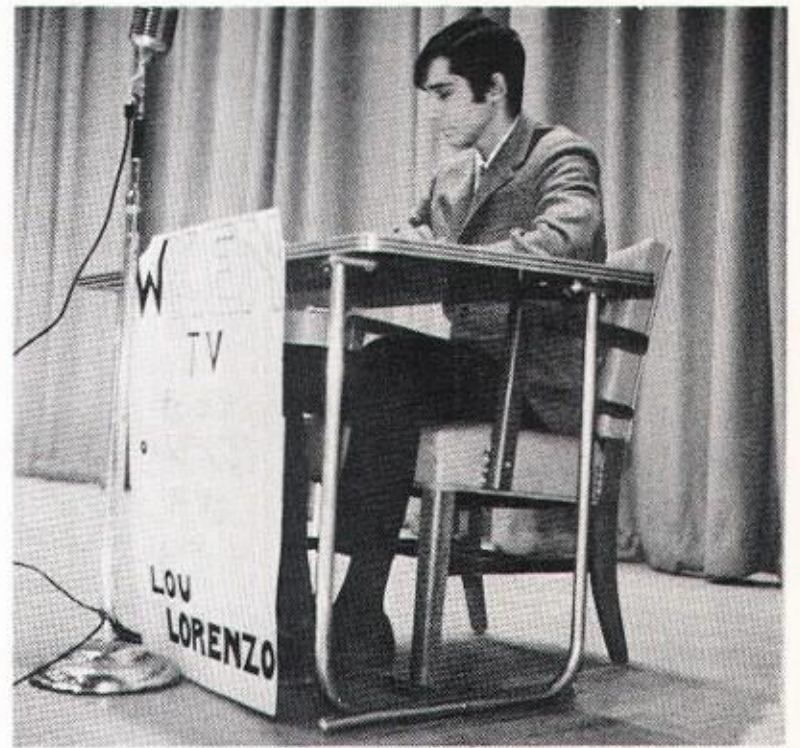

The Student Council delegates lent their support to the Red Cross Club membership drive, which resulted in eighteen 100% homerooms and a total of 73% of the student body contributing. Again offering community service, they aided the Lions' Club in their annual White Cane Drive. Students went out in the bitter cold to collect over a hundred dollars for this worthy cause.

Good Grooming Week culminated in the selection of the best-groomed boy and girl in each class. Candidates who were chosen in homerooms on November 27 were judged, and the winners announced at an assembly on December 1.

Other activities carried out by the Student Council included the sale and distribution of the "Ken Key Notes", the Green Carnation Sale on March 15, a St. Patrick's Day Dance, and a Traffic Safety program. They also worked to plan a Faculty-Varsity Basketball Game and a dance in May.

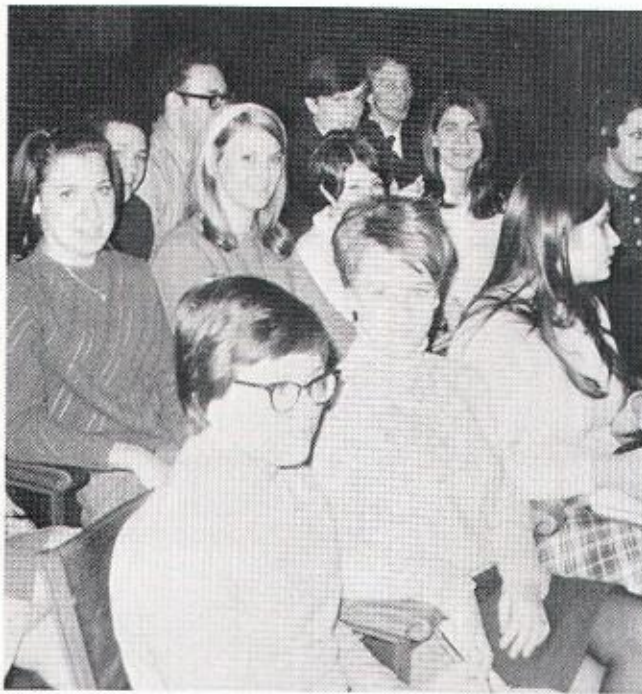

Where else but on a basketball court could a student take out his inner frustrations on the faculty?

"WKEN TV surveys Kensington High Fashion."

"You don't have to be Irish to wear a green carnation!"

Delegates, oblivious of outside interference, listen intently at a Student Council meeting.

By more than doubling our 50 bag quota, once again we proved that Ken Kids have what it takes.

"Pick me up at the palace at eight."

"While our loyal faculty . . ."

KEN-BENNETT WEEK

This year, as their main project, Mr. Lucci's Ken Boosters sponsored a full week of activities through which they hoped to achieve one goal—to arouse school spirit. These six days, climaxed by the big game of the season with our archrival Bennett, clearly proved that they had succeeded.

The week got off to a noisy start with "The Happening", as students, encouraged by the cheerleaders and members of the Ken Boosters carrying picket signs, gathered behind the school to cheer the Knights. The mood changed from mysterious expectation to nervous anticipation on Tuesday. After school on that day, the sixteen girls who had been nominated in senior homerooms for Queen of Ken-Bennett Week were judged by ten faculty members in the auditorium. Preparations for the day were being made as early as October 27, when the actual nominations took place. All candidates had to meet specific qualifications: A nominee had to have a pleasing personality, she had to be industrious, reliable, cooperative, and popular with both students and faculty. The teachers who made up the panel then rated the girls on the basis of poise, her goals for the future, and her ability to answer questions "under fire".

On Wednesday, school spirit was really shown by all the students and faculty, as they searched their closets for something green and gold to wear.

Thursday night's dance was highlighted by the crowning of Cathy Cleveland as Queen of Ken-Bennett Week. The results of the judging had been held in strict confidence for two days, with only a handful of people knowing who would be given the honor.

"Would you like to be Queen For a Day?"

"If we win, maybe we'll get to do a T.V. commercial too!"

"Nick, did anyone ever tell you . . . ?"

"Win or lose, we're proud to be in that number."

The prizes awarded to Cathy included a dozen long-stemmed "American Beauty" roses, two dinner tickets from the Swiss Chalet restaurant, a portrait certificate, and a cake, compliments of Smolinski's bakery. Also honored were Melanie Musial, Karen DiPirro, and Jane Kubacki, the members of her court. After the crowning, all attending danced to the music of "The Restless".

At 2:45 on Friday, instead of rushing home, many Kensingtonians attended a pep rally in the gym. The week's activities were concluded on Saturday, as a motorcade led by the Queen and her court, transported some students to the game at All-High Stadium. At two o'clock, our Knights met Bennett's Tigers on the football field in what proved to be a rough but exciting game, and an appropriate ending to an exciting week.

"What happened, Mr. Lucci?"

KEN VARIETIES

"Here's our chance! Ted Mack's in the first row."

PEOPLE . . . who need people are the luckiest . . .

The song from which these lines were taken opened both performances of the Ken Varieties of 1968, two different programs presented by a student cast directed by Mr. Richard Gutta.

The Mistress and Master of Ceremonies, Linda Messina and Jim Sheldon, were joined by "special guest" Lou Lorenzo for clever, sometimes intentionally corny, comedy between the acts.

Student soloists professionally presented, vocally and instrumentally, a cross-section of modern American music, with themes from recent movies and Broadway shows playing a primary role. "I Won't Grow Up" was sung by a stageful of Ken's in-residence hippies, who later had a run-in with the Peanuts gang. The Big City Organization and The Restless were on hand with psychedelic vibrations.

Dancers presented an equally varied program, from a traditional Spanish dance to modern jazz. The Charleston, Can-Can, Mambo, and soft shoe were all part of the evening's entertainment.

In skits, Raggedy Ann and Andy survived temporary separation and were happily reunited in Toyland, the passengers danced on board the Good Ship Lollipop, and "The Frog Prince" was given a slightly fractured ending. Drama was represented in the reading of a scene from an O'Neill play.

"Rose and Stanley make a clean sweep"

Ken's Own Sugar Plums

"Guess who's coming to dinner?"

"You were expecting maybe Lawrence Welk?"

...SPRING CONCERT

The lights were dimmed, the orchestra began to tune up, and Kensington's annual Spring Concert began under the baton of Mr. Carlton Wagner. The orchestra played several selections including "Canticle of Praise", highlights from "The King and I" and "The Little Rhapsody in Blue".

The Mixed Choir, conducted by Mr. John Ricca, continued the entertainment with a 45-page version of the operetta "Porgy and Bess". The repertoire also included "This Land is Your Land", "Turn Back O'Man" and "The Glory of the Lord".

Also performing was Ken's band playing music from "Blossom Time" based on the music of Schubert, "Czeck Suite" and "Mexican Mambo".

CLUBS AT KEN

SCIENCE CLUB—M. Bauer, S. Tufo, D. Beatty

CHESS CLUB—L. Jeffries, L. Witul, G. Grace, E. Moyer.

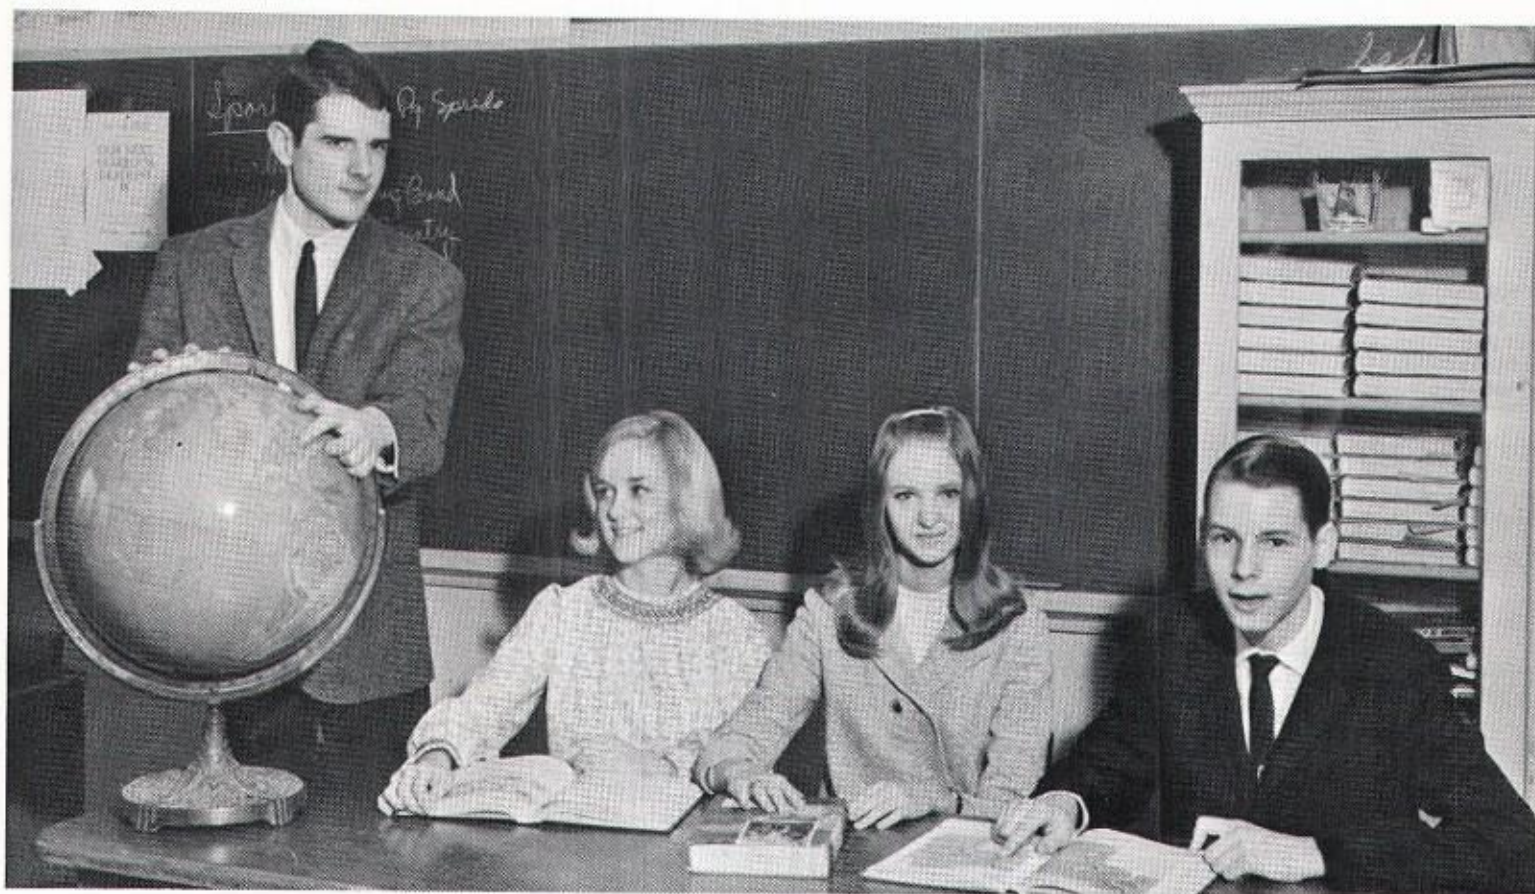

The SCIENCE CLUB, which appeared on the Kensington scene for the first time this year, provided students with interesting and informative scientific programs. Trips to the Cornell Laboratory and the Aquarium in Niagara Falls were among those organized with the assistance of Mr. James Cadwell, the faculty advisor.

The CHESS CLUB, which could easily be called the quietest club in the school, met this year with the guidance of Mr. Ronald Zack. The Club represented Ken well in interscholastic meets, winning two tournaments.

The emphasis at monthly meetings of the FUTURE NURSES OF AMERICA was on education, and Mrs. Doris Nagel and the members learned much from their guest speakers. Among them were a representative of the Erie County Public Health Department, several nursing students from the University of Buffalo who gave a first aid demonstration, and Sgt. Kincaid of the Army Nurse Corps Recruiting Office, who showed films and distributed literature describing the opportunities open to students in Army nursing.

FUTURE NURSES OF AMERICA—E. Bingert, D. Nelson, C. Koch, M. Mank

HISTORY CLUB—D. Morrison, J. Kushner, C. Zulewski, M. Bauer

The HISTORY CLUB met this year with Miss Marjorie Linhardt to discuss the problems facing our community and our world. Councilman - at - Large Edward Regan attended the first meeting and spoke on the "Problems of the City." The Club took a field trip to the Erie County Jail to help them understand a major concern of the county: its penal system. To learn about the world's problems, a talk by a former Peace Corps Volunteer to the Philippines was scheduled, and the members became participants in the Model U.N. Assembly to voice their opinions.

The FUTURE TEACHERS OF AMERICA, under the direction of Mr. Rocco Lucci, worked to instill in Kensington students a sincere interest in teaching as a profession. To achieve their goal, eight members attended the Future Teachers of America Conference in Batavia. There they heard lectures on such topics as "Teaching in the Peace Corps", "Non-graded High School", and "Specialization at the Elementary Level". As a service to Kensington, FTA members acted as guides on Parents' Night.

SPANISH CLUB—J. David, K. Beane, D. Eno

The SKI CLUB, newly organized this year, has attempted to promote the sport of skiing through a program of lessons and practice. Mr. David Sarata has supervised weekly sessions at Glenwood Acres Ski Area. Somehow the members of the club have managed to survive the blustery weather that was a part of many of their ten weeks of lessons.

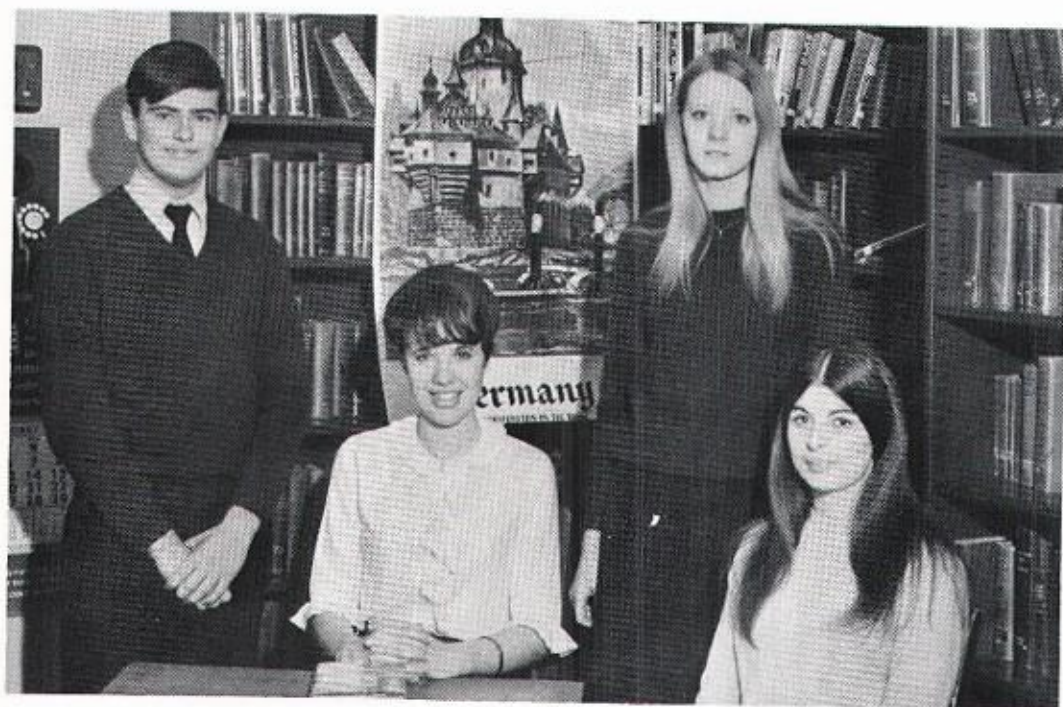

The accomplishments of the SPANISH CLUB this year were perhaps more obvious to the rest of the student body than those of any other. On December 15, the club presneted an assembly revolving around the people of Mexico and their history. "A Visit to Mexico", produced and directed by Mr. Michael Tritto, was highlighted by a mock bullfight and included historical skits, songs, and Latin dances. Also, as a group, they attended Spanish Night at Kleinhans Music Hall, a concert given by the Philharmonic Orchestra.

ITALIAN CLUB—Row 1: L. Visone, J. Giambelluca; Standing: L. Messina

RED CROSS CLUB—S. Sivula, J. Zaleski, T. Zboinski

GERMAN CLUB—R. Kiebusch, J. Dubacki, S. Smith, D. Grazyk

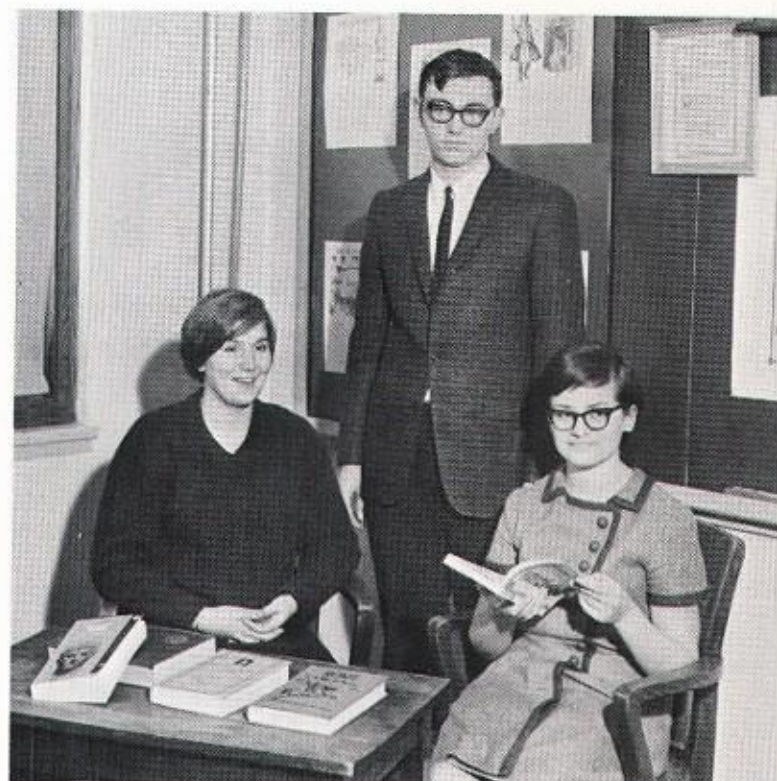

The purpose of the GERMAN CLUB, which meets under the supervision of Mr. Carl Berner, is to involve pupils in creative activities revolving around German culture. The activities of the club this year ranged from "Karneval", a masquerade with folk dancing, to showing and telling about life in Austria, Switzerland, and Germany through the use of colored slides. The "Oktoberfest" was a traditional banquet at which tantalizing German dishes were served, and the Advent season was complete with lighted wreath and carols.

Through the continued efforts of the KENSINGTON RED CROSS CLUB to coordinate their services, Ken students brought joy to a children's home by giving them a Valentine party, brought aid and comfort by sending a school chest to a disaster area, brought a little cheer by sending mounted cartoons to soldiers in Vietnam, and brought to its members the satisfaction of a job well done. All of these projects were carried out under the direction of Miss Doris Flierl.

The ITALIAN CLUB promotes the speaking of that language outside of class and provides its members with cultural knowledge of Italy and its people. At their meetings, slides of Italy were shown, customs were studied, and members joined in learning the traditional folk songs and carols of the country. At Christmas time, Mrs. Anita Militello, the club sponsor, helped to organize a party which featured fancy Italian pastries, ice cream, candy, and the singing of carols to greet the Christ Child.

The purpose of the KENSINGTON CHAPTER OF THE JUNIOR CLASSICAL LEAGUE is to acquaint its members with the contributions of Roman Culture, and to study other aspects of this civilization which are not covered in regular Latin classes. The activities of the club encompass education, service, and participation. At one meeting, Mrs. Smith's slides of Italy, taken last summer, were shown; and the Buffalo Evening New Crippled Children's Camp received their contribution. This group was an active part of the Junior Classical League State Convention which was held at Kenmore West Senior High School.

STUDIO CLUB—*Bottom:* R. Archambeault, D. Beaty, J. Ruhling; *Top:* S. Nalesynski, D. Porterfield, R. Dombrowski

This year, the main project of the **STUDIO CLUB** was a large Christmas tree done in the stained glass technique, which dominated the center windows of the school, and reached from the second to the fifth floors. It was lit up every night as Ken's "Christmas card to the community." Exhibits for Halloween, Thanksgiving, and Christmas displayed in the case in the front hall were also Studio Club projects.

This year Kensington has something new—a literary magazine. The goal of the staff of the "**KEN KALEIDOSCOPE**" was to compile a magazine reflective of the creative and imaginative thinking of Ken students. Each student had the opportunity to submit his work for publication, which came in Spring, 1968. This magazine, it is hoped, will become a tradition at Kensington. The faculty advisor, Miss Kathleen Kreis, and the entire staff, have put much effort into making it a success.

HOMEMAKING CLUB—*Seated:* S. Burt, M. Cameron; *Standing:* C. Lebidzinski, S. Kinmartin

The members of the **HOME ECONOMICS CLUB** meet to learn how to handle themselves socially, to improve themselves as individuals, and to be of help to other people. This year, some of their projects and activities, carried out with the aid of Mrs. Jean Gerlach and Mrs. Martha Falsone, were a baked goods sale, a Christmas party to which some of the teachers were invited, and the serving of refreshments at the Junior Prom.

The appreciation of the values of mathematics is the main goal of the **MATH CLUB**. This purpose has led to programs and presentations including games, mathematical tricks, and topics requiring study and research which cannot be taken up in the classroom because of lack of time. Miss Constance Musial guided the club officers in planning and executing their year's activities.

KEN BOOSTERS—Top to Bottom: A. Mascia, T. Polanski, D. Inoruia, D. Kurdziel, L. Lund, A. Diodate, K. Bubar, L. Graesser, R. Stec

Much of Kensington's school spirit is due to the KEN BOOSTERS. Under the supervision of Mr. Lucci, the Boosters were able to charter buses to basketball games and swim meets. They also sponsored a dance for St. Patrick's Day.

The FRENCH CLUB encourages an understanding, appreciation, and enjoyment of the typical customs of the French through entertainment. Guignol, a puppet whose mischievous escapades are comparable to those of our Punch and Judy, made his appearance at the first meeting. Skits and songs, organized by Miss Catherine Valente, were an integral part of both holiday celebrations: Christmas, and "Kings' Day", which was celebrated on January 11. One of the favorite parts of these festivals was, of course, the serving of traditional French desserts, "la bûche de Noël", and "la galette des Rois".

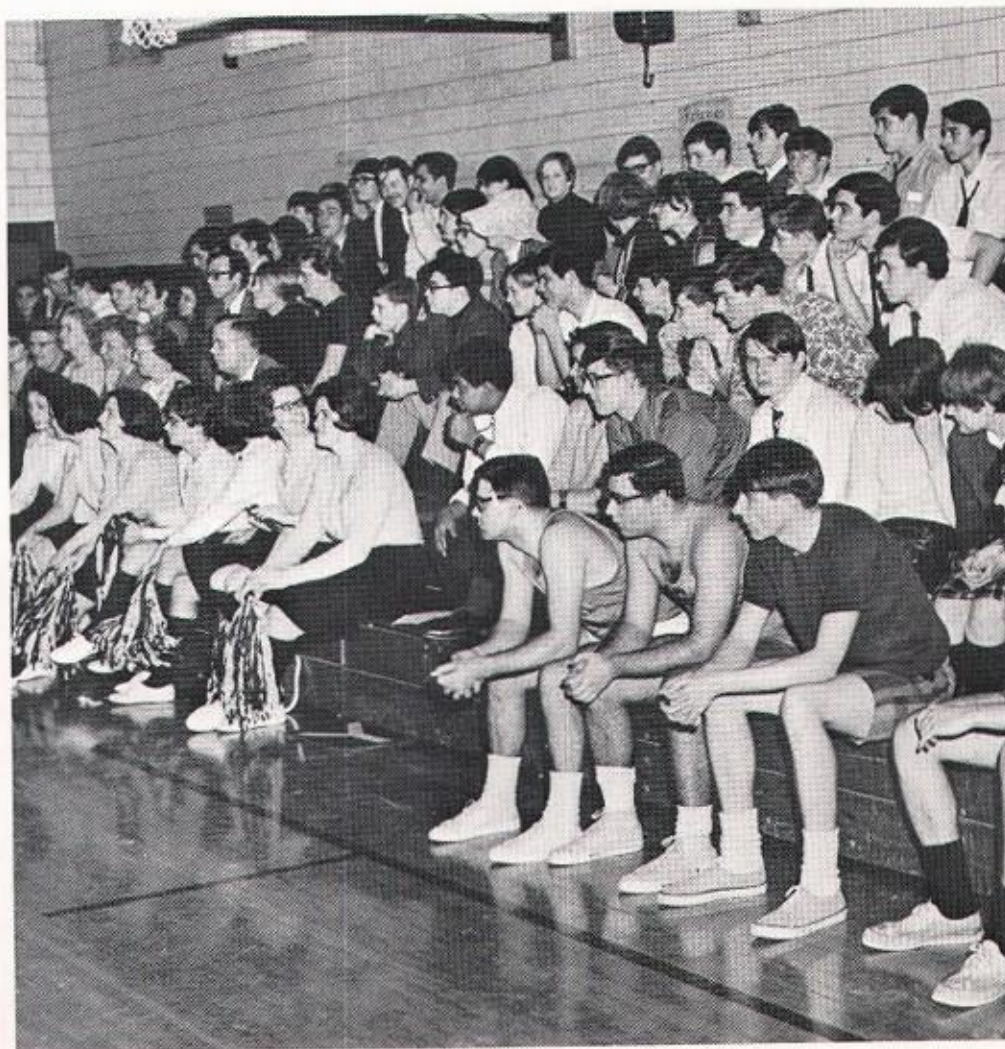

Miss Ann Maloney was again this year the faculty advisor for the KEY NOTES STAFF, which published and put into circulation six editions of the "KEN KEY NOTES". Regular sections of this publication are "Among Our Student Authors" and "Along the Ken Lines", which are featured in every issue and reflect the achievements of the student body. The staff received a blue ribbon for last year's "Key Notes" at the Buffalo Evening News-sponsored Western New York Interscholastic Press Association Conference, a success which they hope to repeat.

"Resolved: That the manufacture and use of surveillance devices should be further limited."

This controversial topic of current importance was urged both negatively and positively by Kensington this year. The affirmative team, consisting of Naureen Baker, Dave Piscitello, and Pat Hogan faced the debate team of Technical at Kensington, Ed Koholski, Art Richter, and Rich Simmons

composed the negative team which traveled to South Park to defend the honor of Kensington.

The Declamation Team was composed of students selected from the various classes of Mr. Gutta. They represented Kensington by competing in both declamation and scholarship contests.

STAGE CREW and AUDIO-VISUAL STAFF

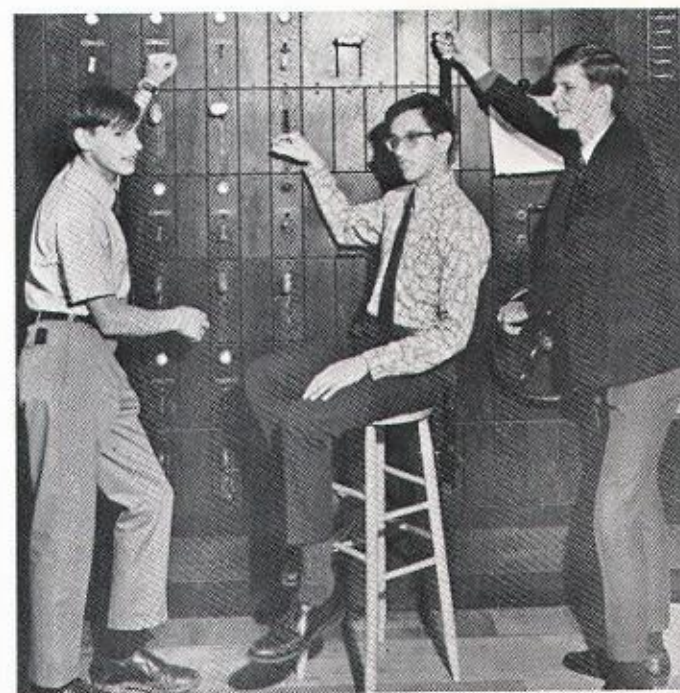

The Stage Crew is seldom seen by the students and faculty attending assemblies at Kensington, but their efforts and technical ability are as important for the success of each production held on our stage as the quality of the program itself.

Among the programs they worked hard to produce, in addition to the weekly double assemblies, were the Variety Show, the Spring Concert, and "it's Academic", all of which required the use of special effects. The behind-the-scenes heroes are responsible for the lighting, spotlight operation, projection, audio equipment, and the handling of stage props. The efficient and dedicated staff works under the the direction of Mr. David Sarata.

Another group that is not always seen but is greatly appreciated is the Audio-Visual Staff. This group, with the direction of Miss Clara Panzica, is responsible for the operation and maintenance of projectors for educational films shown in the classrooms. They also operate the tape recorders and record players when teachers request them. The use of these audio and visual techniques aids the student in comprehending the ideas of a course. The faculty as well as the students of Kensington expresses its gratitude to them for this.

MONITORS

A sense of responsibility is an important quality which every student who serves as a monitor in any of the offices or in the halls at Kensington must possess in order to do his job efficiently and well.

In the Guidance Office, the monitors assist primarily in the clerical work, filling out appointment slips and categorizing materials, records, and other information. This frees the counselors to consult with students and help them to plan their futures. Monitors in the clinic aid the nurse by writing slips, weighing students, taking temperatures, and cleaning instruments. Library monitors are responsible for charging books, straightening shelves, and collecting fines for overdue materials.

Through their assistance to the clerical staff, monitors in the main office gain valuable secretarial experience. They prepare the daily absence lists, help with typing and filing, and make phone calls to the homes of absent students. Hall monitors are students who have maintained good records of attendance and punctuality, and who are willing to relinquish their study halls. They serve by keeping unauthorized persons out of the halls and by directing visitors who are unfamiliar with our school to their destinations. Activities Office monitors are busy before and after school selling supplies to students. They are especially busy during football season, when they punch activities tickets and sell tickets for the games.

MUSIC

The MIXED CHOIR effectively presented, with soloists and narration by Mr. Richard Gutta, "The Song of Christmas", a highlight of the holiday assembly. The songs sung at Easter, including the operetta "Porgy and Bess" and "This Land is Your Land" were also used for their participation in the Spring Festival at Kleinhan's Music Hall.

The BOYS' GLEE CLUB, providing some of the favorite music of the Christmas season, sang "White Christmas" and "It's Beginning to Look a Lot Like Christmas"; the GIRLS' CHORUS followed them with "Babes in Toyland" and a choral medley, and also sang "Panis Angelicus" and a number of American folk song at Easter.

Ken's MADRIGAL CHOIR, meeting during Religious Instruction period, chose for the Christmas assembly several traditional pieces: "Cherry Tree Carol", "Coventry Carol", and "God Rest Ye, Merry Gentleman".

Kensington is very fortunate to be one of the few high schools in the City of Buffalo which has an orchestra. Under the direction of Mr. Carlton Wagner, the sixty-four members of the orchestra met twice a week during first period. Practice sessions such as these help establish a rhythm and a harmony which are the result of hard work alone. For each year's participation, the student earns one-half of a Regents credit.

This year, as in the past, the orchestra played selections for the Thanksgiving and Latin American assemblies. They also provided the music for Junior Day and for graduation night at Kleinhans Music Hall. Mr. Wagner again conducted the orchestra for its performance in the annual Spring Concert.

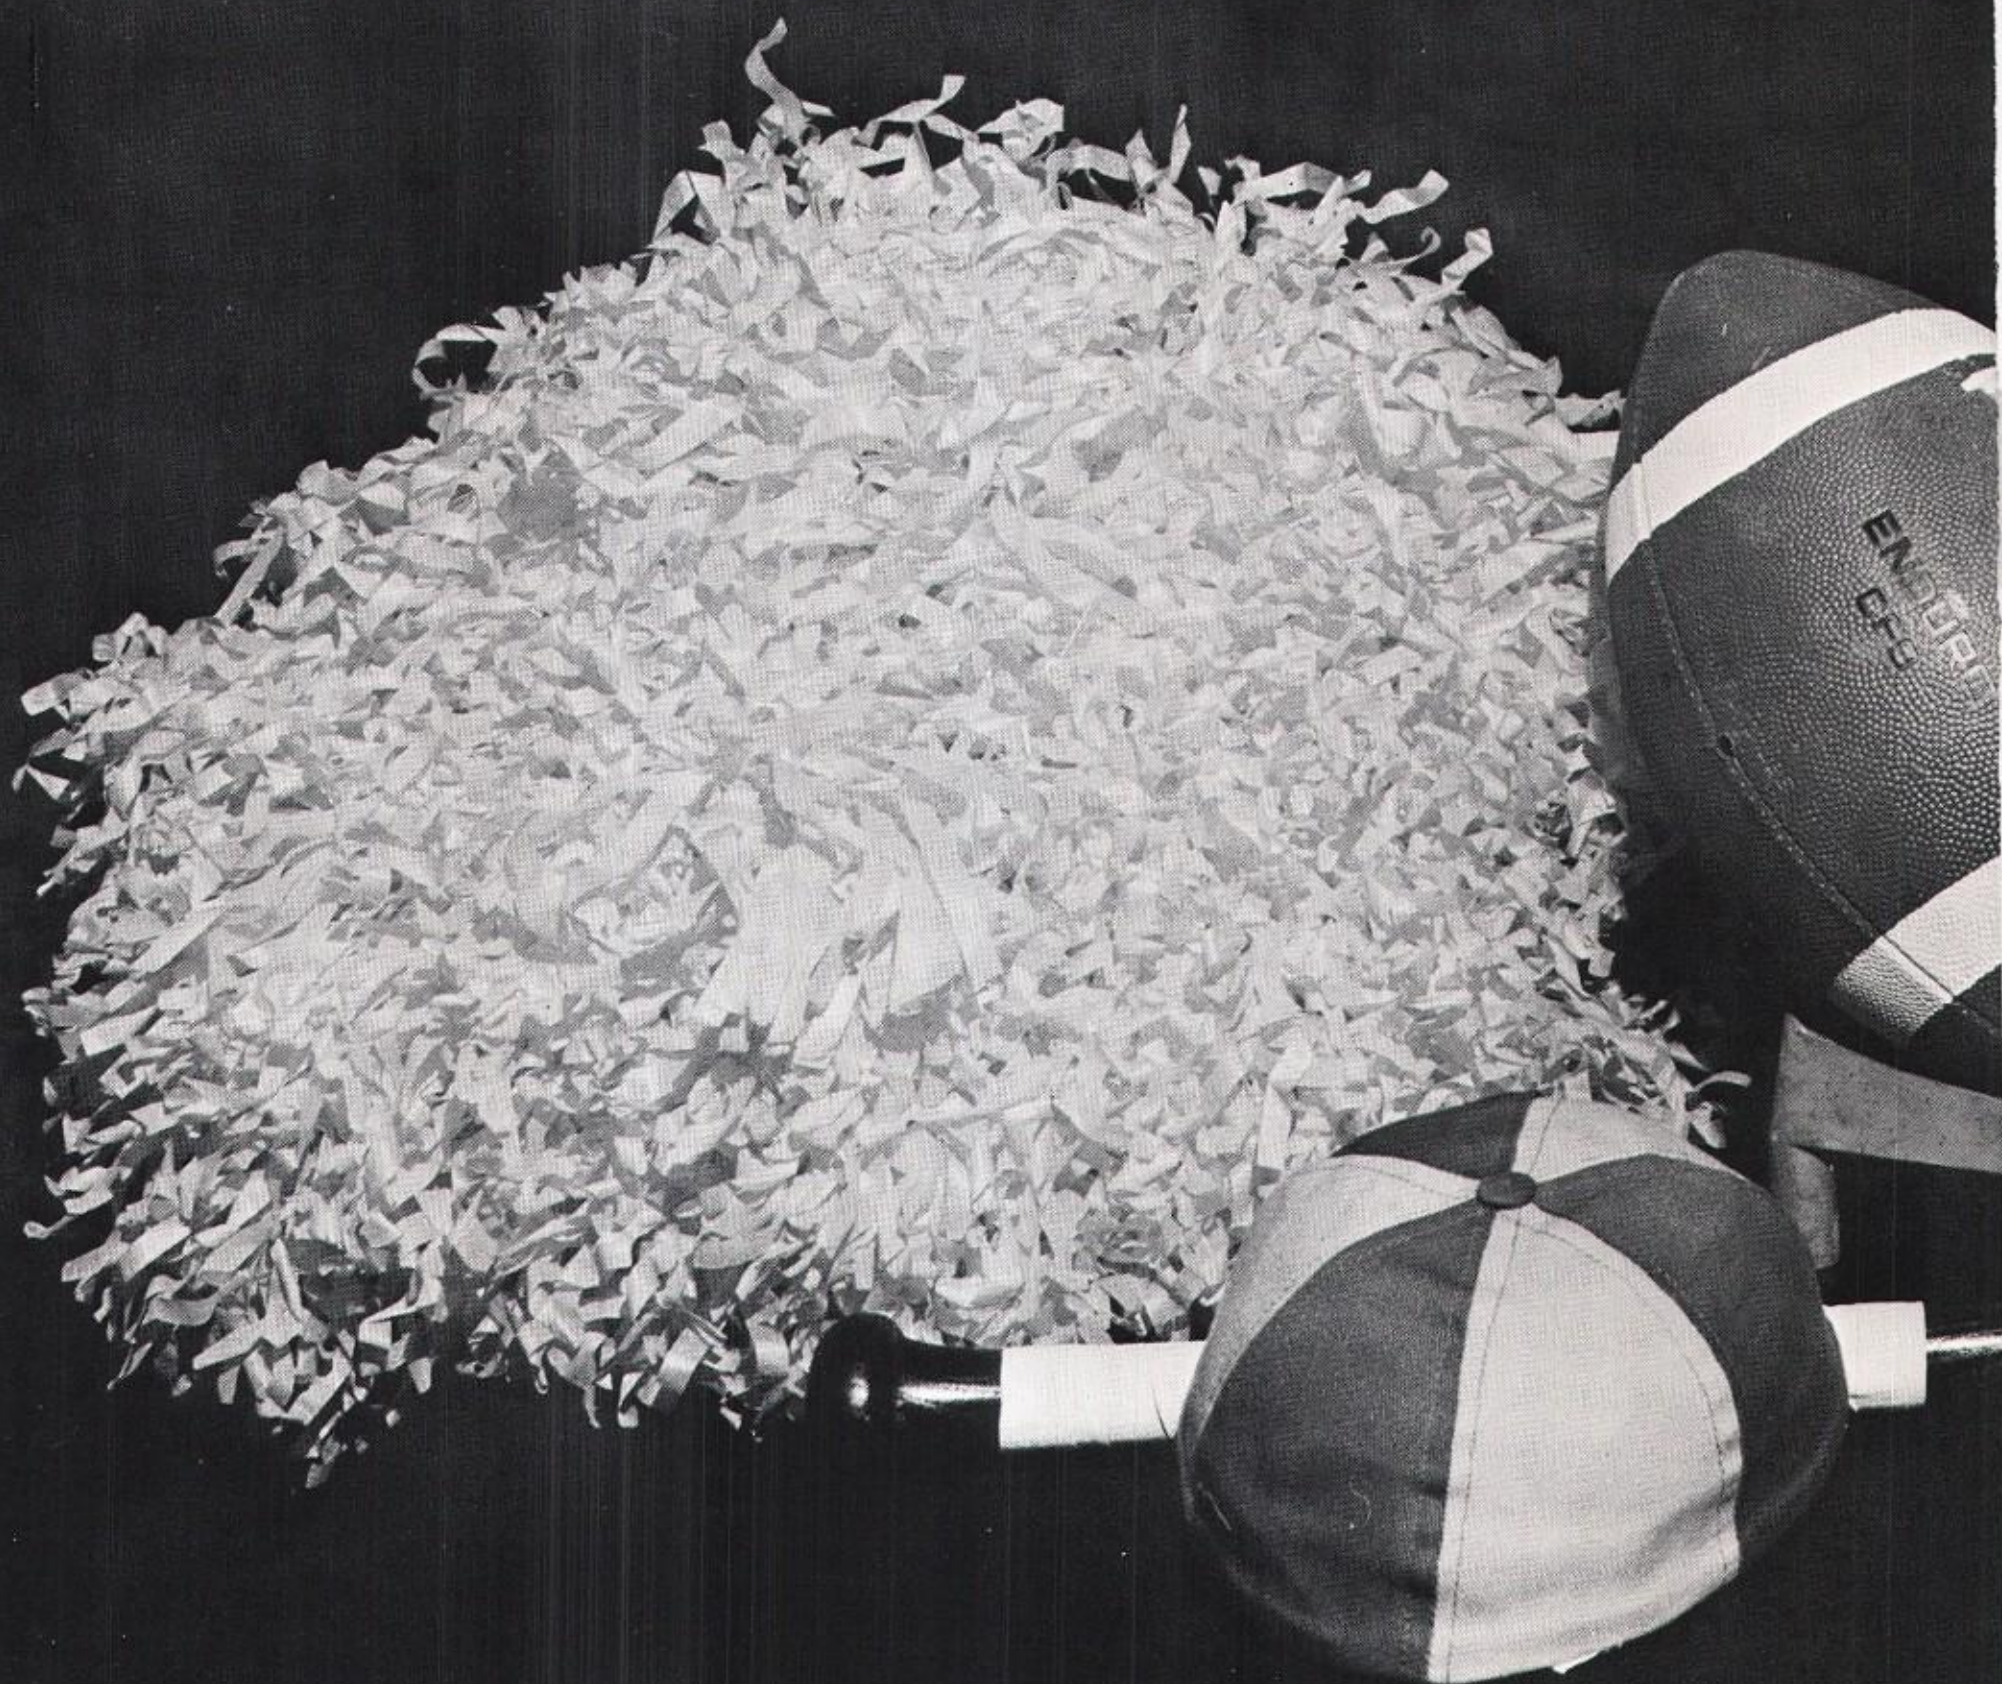

Every Monday, Wednesday, and Friday, the seventy-two members of Kensington's band diligently rehearsed with Mr. Wagner the music to be played at assemblies. These students played the march music, pep songs, and an occasional selection for assemblies, including the Christmas program. Our school was represented well in the All-High Band, with twelve Kensingtonians participating.

The Kensington Knights, under the direction of coaches Bergstrom and Lipsius and led by co-captains Paul Long and Dennis Burns, participated this year in the Harvard Cup competition.

The team put their effort into every game and often outplayed their adversaries, but they were unable to come up with the breaks necessary to win.

The season opened against Burgard with a win, but our glory was short-lived. Although Kenny Swartz was one of the league's leading quarterbacks in total offense, he was unable to lead the team to victory.

Nick Beaver, offensive and defensive end, halfbacks Sherman Nelson, and Bill Owens, defensive end and kicker, were among the more outstanding players this year.

However unsuccessful, the efforts of these boys and the entire team made the football season an exciting and memorable one.

JUNIOR VARSITY

Each day, the Junior Varsity team worked with dedication to improve itself for future years on the team. The J.V. won two out of three hard-fought scrimmages. These boys eagerly learned the tactics of football and may turn out to be a great asset to the Varsity Squad for the 1968 season.

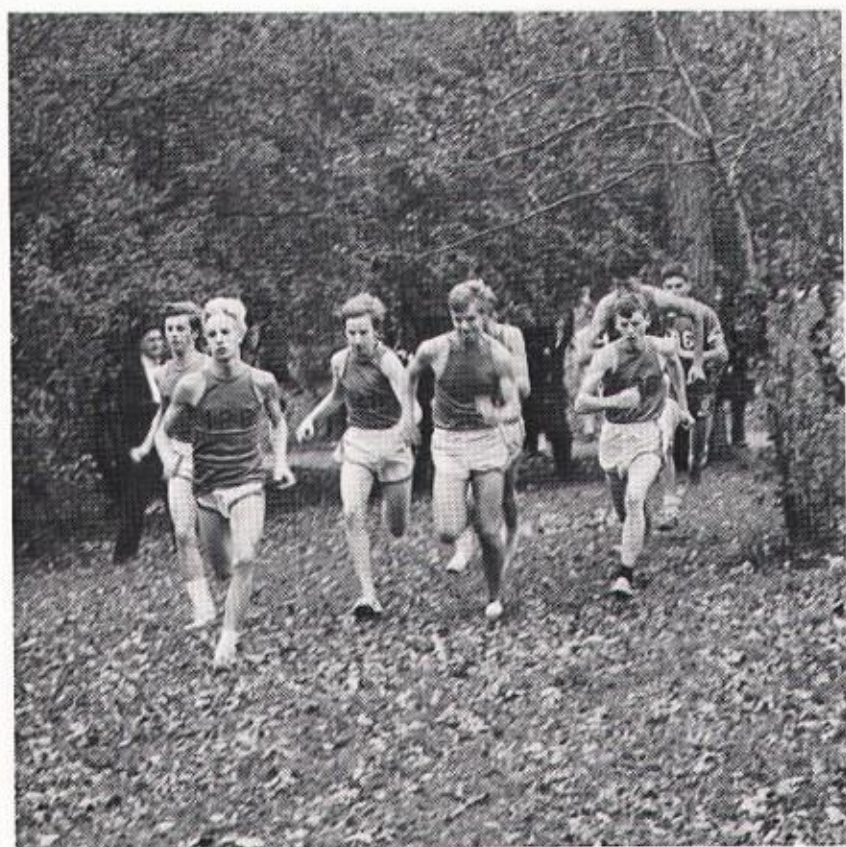

Again this season, Coach Ralph Duquin was optimistic about our team's ability to win the Columbia Cup. After splitting the first triangular meet it appeared as if we were going to have a contending team. Although we lost three meets by a small margin we were "in" everyone until the last Harrier crossed the finish line. Led by Captain Jim Sheldon the team compiled a record of five wins and six defeats. In the All-High run our team finished a respectable fourth making it possible for a fifth finish in the place overall standing. This year we had many promising runners including Captain-elect Dick Krawjewski and All-High competitors Dave Henninger, Ron Jakubowski, Frank Boza, Jeff Cook, Dave Wessel, and Larry Ladowski. Next year the cross-country team should have matured into a serious threat to dethrone the champions of South Park.

Since there are only two starters returning from last year's team Mr. Ken Parr is looking to the future. The team led by Gary Ruff, Dave Scherer and Gordie Trass at singles will have a difficult time in bringing the Babst Cup to Kensington. Next year everyone, including doubles players Charles McCarthy, Larry Lorenz, Karl Speiber and Ken Lorenz will return.

Under the guidance of Coach Kenneth Parr, the Basketball team showed a great improvement over previous years. Mr. Parr worked the team vigorously and built it into a serious contender. The Knights lost five games by a margin of less than 7 points and could have easily won these contests if they had been more consistent at the foul line. The team was led by the most valuable player-Mike McGloin, high scorer-Dave Wessel, and leading rebounder-Gary Wasinger and finished with four wins equalling their total victory output for the last four years combined.

FACULTY - VARSITY BASKETBALL

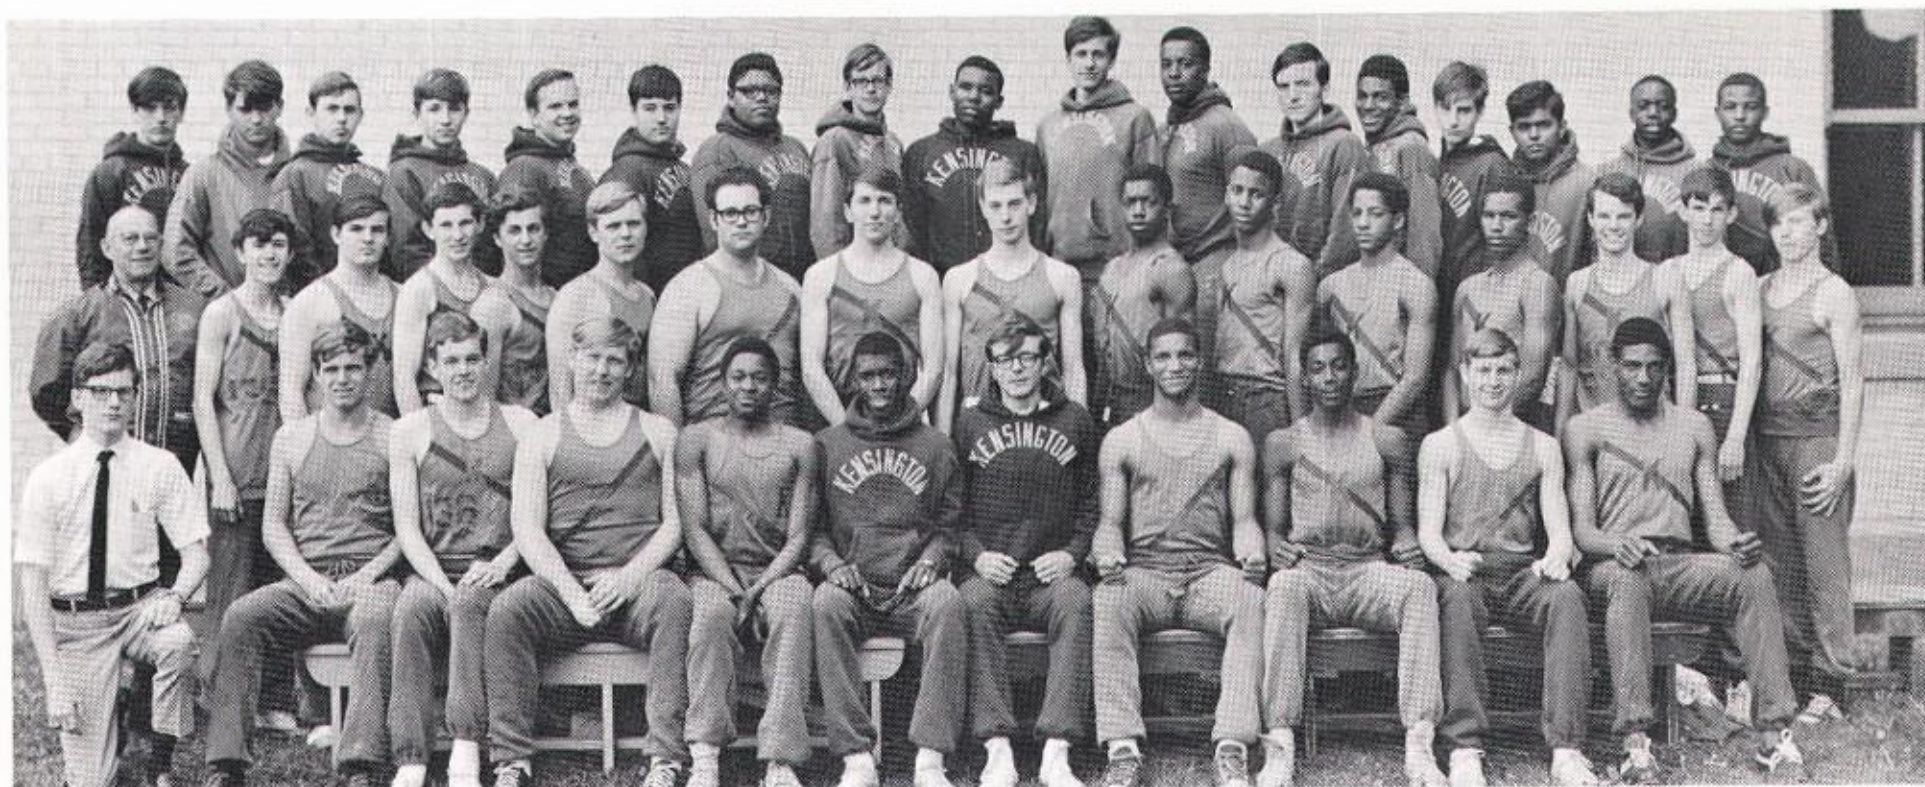

Things were different this year as the Ken Knights downed the ferocious Faculty Flyers with a score of 59-54. After their dress rehearsal last year, the well-conditioned Varsity was totally prepared for the onslaught of Faculty antics. Even the surprise appearance of our own "Calvin" Murphy couldn't shake them.

The capacity crowd roared with delight at the fancy footwork and dexterous dribbling of such stars as: Mr. Ryan, Mr. Parr, Mr. McAuliffe, Mr. Zack, Mr. Lucci, Mr. Pillsbury, Mr. Ciccarella, Mr. Tritto, Mr. Murphy and Mr. Wilkosz.

The Black and Blue cheerleaders didn't quite meet their match when pitted against the seasoned Varsity cheerleaders, but what they lacked in volume was made up in spirit.

Half-time was highlighted with an act from the tumbling team and a l-o-n-g rest period for the Faculty Flyers. As the Faculty Flyers tired, the Varsity fought with renewed vigor gaining those precious points which brought victory to the Knights. Wasinger, Wells and Wessel posed a triple threat which helped bring the basketball season to a successful close.

TRACK

In the Scalp and Blade competition this year, the Knights' outlook is promising at this writing. The team reached full stride by winning its first triangular meet of the season. Individual leaders are Charles Oliver in the 220 yard dash, Joseph Frohe in the long jump, All-High returnee Willie Wells in the pole vault, Dennis Burns in the shot put, and Jim Sheldon in the 880 yard run. Although this year's squad is comprised of mostly seniors, Coach Duquin is optimistic about next year's team, which will be led by some of this season's talented underclassmen.

BASEBALL

With almost everyone returning from last season's team our Cornell Cup prospects are bright. The Knights led by captain Doug D'Addario and All-High pitcher Jon Mast, have shown more promise than any team of recent years. Returning from last years squad are infielders, John Golder, Nick Beaver, and Andy Thomasula, and catcher Larry Stabler.

The strong point of this years team is the pitching staff which includes righthand Jack Baker and southpaws Mast & Jim Schreier.

Under coach Bill Bergstrom the team chalked up early victories against Burgard & Emerson and it is hoped that the team will continue its winning ways and bring the Cornell Cup to Kensington.

Ken's Mermen splashed to a respectable fifth place finish in the 1968 Syracuse Cup Competition. The team was inspired by the fine efforts of co-captains Paul Bodkin and Glen Hobel and ably coached for the third year by Mr. Al Mudd. Other outstanding performers on this years squad were Bob Warnes, butterfly and backstroke, Don Pecararo freestyle and Joe Garcea another freestyler. The freshmen medley and freestyle relays went undefeated during the regular season and placed first and second in the All-High meet in which the team as a whole finished fourth. The varsity team was represented by a freestyle relay and individual swimmers Don Pecararo, Greg Brennen and Paul Bodkin who successfully retained his all high status in the backstroke and individual medley. The team voted Paul Bodkin most valuable swimmer and William Schultz most valuable freshman.

With a flash of green and gold pompons and extraordinary lung power, the cheerleaders could be seen and heard at every sports event this year. With boundless energy and precision cheering the eighteen girls on the squad upheld the fans spirit even through the darkest moment of defeat.

Captain Donna Eno, co-captain Cathy Cleveland, ten other varsity and six junior varsity cheerleaders were chosen in the Spring of 1967 by Mrs. Anne Lufkin, to be this years squad. A clinic was held every morning for six weeks where Freshmen, Sophomores, and Juniors learned the cheers and jumps. The girls were chosen on the basis of ability in jumping, cheering and yelling. But this was only the first step in the making of a squad.

Every morning during the sports season the cheerleaders could be found in the auditorium practicing and learning new cheers. Then they were ready to go to every game and wage their school on to victory or uphold its spirit in defeat.

MAJORETTES, MARCHING BAND

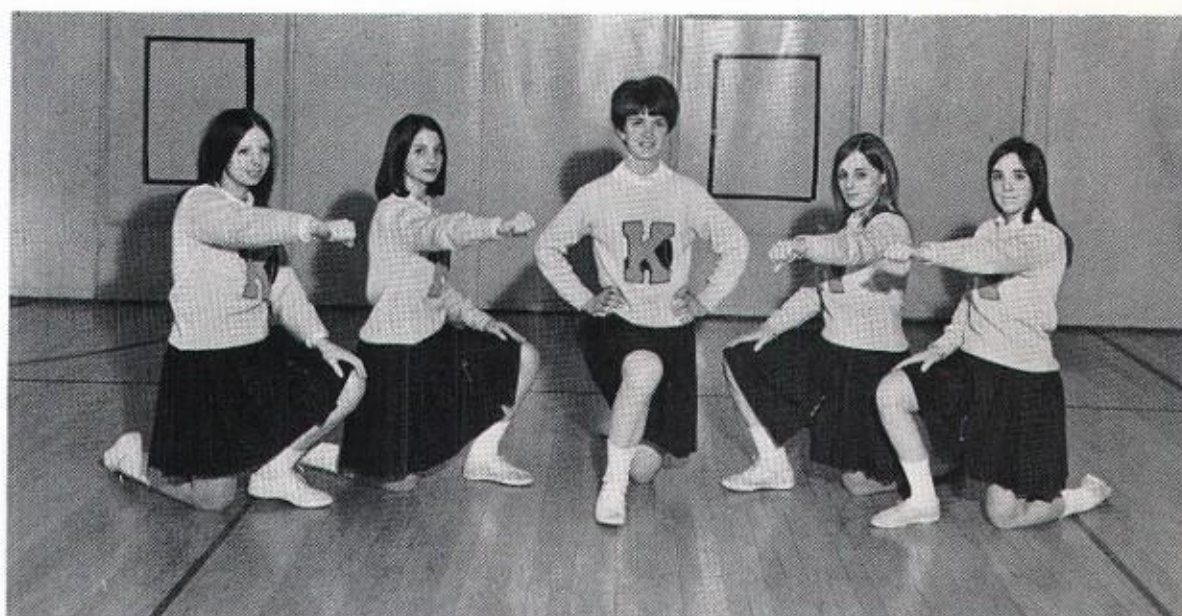

The Marching Band, which is composed of about fifty members, provided the half-time entertainment at three Ken football games this season. In green and gold uniforms, and led by Mr. Wagner, they provided the accompaniment for the drill and baton teams.

The Majorettes could be seen performing with the marching band on the football field. They were chosen from the baton squad and from the nucleus of the teaching unit for new girls trying out, at the end of the 1966, fall sports season. Their selection, announced at the girls' letter assembly last year, was made on the basis of rhythm, posture, and marching skills. The drum major supervises the teaching groups for the baton unit, while the lead majorette has the responsibility of creating and coordinating the majorettes' routine.

BATON

Down the field the green and gold go marching all the way to entertain the fans at halftime. A colorful array of green and gold pom-poms synchronized to the beat of a cha-cha and the silver flashing of batons give the football games a "professional" look.

Seventy girls under the direction of Mrs. Samuel practiced every morning in the gym learning a baton and dance routine. After many long hours of rehearsal the girls performed at three games and their work was well received by the fans with cheers and applause.

Under the leadership and hard work of Mrs. Lufkin, the Drill Team performed for the crowds during half-times at three football games. Each morning this talented group of girls practiced diligently to learn a drill and dance routine. The program for the big game with Bennett consisted mainly of a dance number using green and gold netted pom-poms which were swung in time to a cha-cha. After putting in hours of practice the girls were greatly rewarded by the appreciation of those who attended the games.

This year's Girl's Swimming began with Green and Gold Teams, Milers and Swimming Leaders. Later, in March, Lifesaving began on Tuesdays and Fridays and lasted until May. Under the supervision of Miss Mildred Moore the girls were able to achieve grace, confidence and speed in swimming.

The Green team was the victor in the weekly competition, winning the first game by ten, while winning the last one by only two. The Seniors were the final class competitors. Three times a year the girls are able to swim a complete mile for points or just swim for pleasure. Swimming Leaders taught underclassmen basics in swimming during regular class hours. Lifesaving began in March of this year and will continue until May. Here the girls learn artificial respiration and all essential rescue methods.

Miss Moore has been teaching at Kensington for sixteen years and is retiring this June. She has contributed much effort and time to the girls and has been an excellent instructor in swimming. We wish her happiness in the years ahead!

VOLLEYBALL

This year, well over five hundred girls participated in intramural volleyball to earn points toward their letters. Volleyball games, which opened the fall season for girls' sports, were marked by high spirits. The girls showed their enthusiasm by adding vocal support to their teammates' physical efforts.

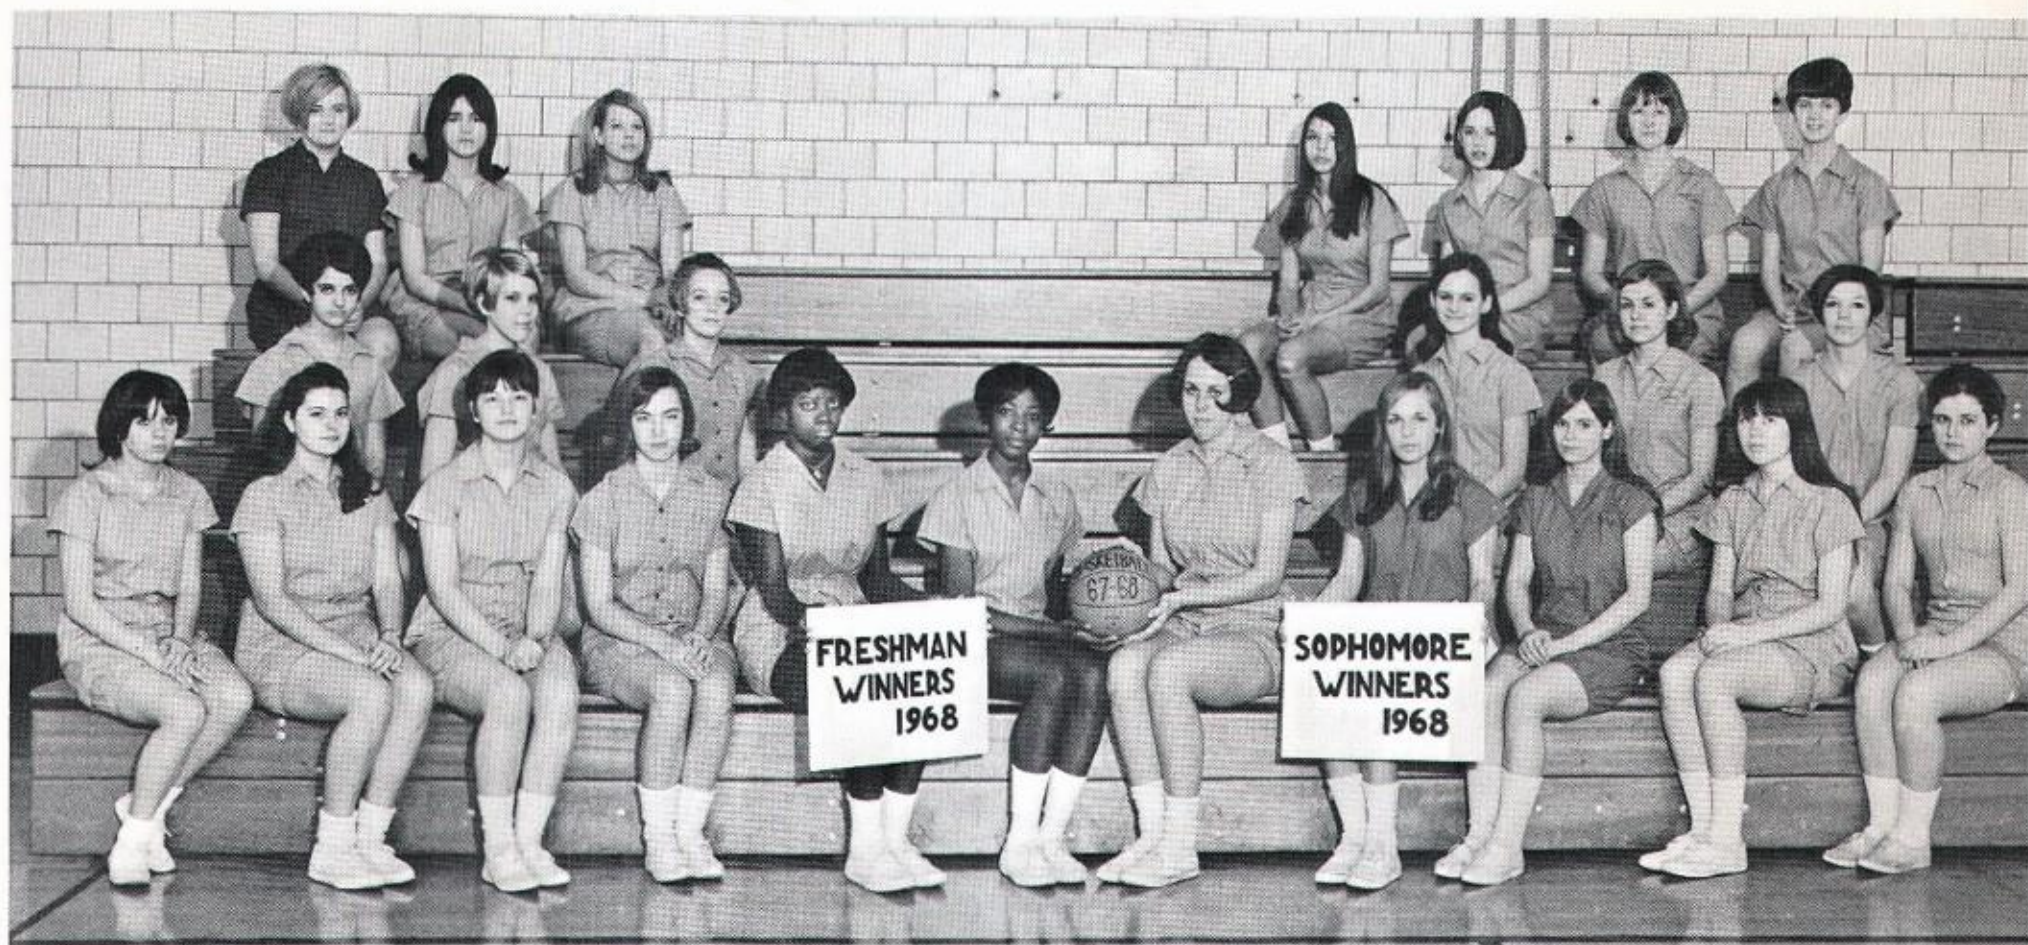

In order to receive the honor of playing in the championship matches, the four leading teams first had to have the best records in their own classes. The competition was keen, and after winning in a play-off within their class, the Juniors of homeroom 237 went on to defeat the Freshmen by two points. The Seniors then downed the Sophomores by a slim margin of three points. Finally, in the championship game, the Senior team, which hailed from 252, won over the Junior class champs with a score of 38 to 25.

RIDING CLUB, SOFTBALL, AND BADMINTON

Riding was conducted on Saturday mornings starting in October at the Saddle and Bridle Club under the supervision of Miss Ruth Mathews. The season closed in spring with a Horse Show at which ribbons were awarded to top riders in the beginner, intermediate, and advanced classes.

In each of two bowling leagues, sixty teams vied against each other for high pin totals. For five consecutive weeks, the girls, organized in teams of four, met at the Bailey Bowling Academy under the direction of the girls' Physical

Education Department.

Softball, played as "whiffle ball" on a no-team basis, was part of the athletic calendar from January until the middle of March.

Many girls, working to add points to the following year's letter, participate in Badminton annually. Competition was keen this spring in both the singles and doubles tournaments of the last sport of the school athletic year.

IN MEMORY OF
SUSAN MARIE HOOPER
July 14, 1950–August 26, 1967
FROM HER CLOSE FRIENDS

I cannot say, and I will not say
That she is dead - she is just away!
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there;
So think of her faring on, as dear
In the love of there as the love of here;
Think of her still as the same, I say:
She is not dead - she is just away!

Dear Carol

It's been great
knowing you since freshman
year. Best of luck with
everything and remember
"Have Fun!"
Diane B.

Carol,
Probably the only
one besides me
who didn't think
she'd pass secretarial
practice. That's only
the beginning, you'll
pass them all. Best
of luck in the future.
Ann

Carol,
Remember all the
good times in the
office & good ol' Rasp.
Stay as sweet as you are.
Good Luck with Chuck.
Best of Luck for the future
Ellen (Santowski)

Carol,
(I'm really glad
I can spell!)
Oh well

We've had a ball
sixth per. Don't
forget either. You're
a real doll, stay
that way always!

Carol,
Best of Luck to
a real sweet & cute
girl. Remember all the
fun you had when
you were in low
class with me(?).
Have a real great
summer but be
good. Lots of luck,
Georgia

Carol -
Remember the
fun we had in
gym & don't forget
the senior prank!
(How can you?)
Best of luck in
everything you do.
Love you
Candy.

Carol
I miss you
in office. You
have a fun time
this summer.
If you can
come. Love
Gee
